Is This Right Time For Sewer Bond Vote?

An Editorial

Decision of the Central Contra Costa Sanitary District board to call an election within 90 days on a proposed bond issue estimated at $4,500,000 is of utmost importance to this entire area.

There is no question that the Sanitary District needs additional funds with which to operate and expand. And there is no question as to the conscientiousness and integrity of the board members.

The question, however, is: Is this the appropriate time to call a bond issue election?

We think that consideration of a bond issue election should be delayed until the public has had the opportunity to become familiar with all the complexities of the problem, and until the board has had time to define a clear-cut policy on such vital subjects as annexations, surface drainage and over-all efficiency.

Otherwise, there is the very real danger that the people will not approve the bond issue proposal. A two-thirds vote of approval is necessary.

BEFORE THE VOTERS are asked to vote on a bond issue, it should be determined, without the slightest question of doubt, that a bond issue is absolutely necessary.

Certainly, there are too many things "in the air" now for assurance of that necessity.

There hasn't been time to digest the efficiency report by Headman, Ferguson & Carollo, consulting engineers.

There hasn't been time for adequate study of District Engineer Gerry A. Horstkotte's report on surface drainage and expansion of facilities.

There is still no definite policy on annexations or a real plan on excess water.

The Citizens Advisory Committee, consisting of top-flight experts living in this area, has not presented its conclusions.

All these facts point to the advisability of delaying a bond issue election.

WE FEAR THAT THE PEOPLE might not support a bond issue at the present time. If a bond issue is needed, that would be most unfortunate.

Our voters are intelligent. They have not yet defeated a local bond issue. They should be given all the facts.

Public relations in bond issue proposals are of utmost importance, as can be noted by the very careful efforts by area school districts in informing the public on school bond proposals.

The Headman, Ferguson & Carollo report recommended "a reduction of expense or an increase in revenue." We believe the people want a definite answer as to the appropriate method of accomplishing that.

A key question is: Just how much money is needed? There is a feeling among those who have been watching Sanitary District affairs that a bond issue may be needed—but perhaps not for $4,500,000.

We know that the people appreciate the fact that the board's decision to act immediately is based on the board's strong feeling of the urgency of the necessary work.

But there seems little use in going ahead with a bond issue proposal until all the factors having a bearing on it are clearly known and understood.

WHEN THE PEOPLE KNOW the answers—when they clearly see that the district board is carefully planning for the future—when they are convinced that district affairs are being run in a thoroughly businesslike manner—**THEN** the people will vote for a bond issue.

And that's what counts—the approval by the voters.

Scott Sheppard Is Chief Watcher

With the acceptance by Scott Sheppard of position of chief observer, the local Ground Observer Corps is swinging into position for some real action, according to Mrs. Donn Court, organizer of "Post Nector Hotel 55 Green," for the Orinda, Lafayette, Walnut Creek area.

Sheppard, whose duties as chief observer include staffing the newly organized post on a 24-hour day, seven day week basis, is recruiting volunteers largely through such local organiaztions as the Walnut Creek and Lafayette Rotary Clubs, the Lions, Elks, Boy Scouts and improvement associations. He hopes to include the PTA groups and the Girl Scouts.

TWENTY-EIGHT assistant observers are being assigned to aid in the staffing for four week periods, Sheppard has announced, explaining that he expects enough volunteers for observer duty that no one person will be called upon oftener than once a month.

"The day will be broken down into two-hour watches, with two persons assigned to each watch," says Chief Observer Sheppard, "and, under our present plans, the men of the community will be called upon for night duty, leaving the daylight hours for the women and school children."

MRS. COURT, who has recently completed a Civil Defense Training course held at St. Mary's College, enthusiastically recommends the course to anyone interested in any phase of civilian defense, including the Ground Observer Corps. This week-long course is repeated each month at the college.

Further information on the Ground Observer Corps may be obtained by calling either Mrs. Court, Lafayette 2762, or Sheppard, Lafayette 8930. Orinda and Walnut Creek residents may call Orinda 2596 or YEllowstone 5-5267.

General Deane Joins Cancer Crusade

Major General John R. Deane, 3 Oak Arbor, Orinda, has been appointed new state chairman of the Armed Forces Committee of the 1953 Cancer Crusade.

He will plan campaign publicity at military bases throughout the state.

The retired general headed the U. S. Military Mission to Russia in World War II and is the former president of the Italian Swiss Colony winery.

Machinery Rolling To Present Sewer Bonds to Public

Machinery was set in motion this week to present a bond issue of an estimated $4,500,000 to the voters within 90 days.

The bond issue was voted by the board of directors of the Central Contra Costa Sanitary District at their meeting April 9 following a report by District Engineer Gerry Horstkotte.

HORSTKOTTE estimated that $3,400,000 would be needed simply to take care of the expansion needed by the district now as a result of increased usage of the facilities. This amount would also presumably bring under control the excess water which is seeping into the lines.

If future expansion of the district is considered by the board, Horstkotte estimated that it would require $4,200,000 to put the facilities in shape to prepare for the extra burden.

Satisfying needs of the present district and expanding also would require an estimated $6,700,000, according to the engineeer.

Directors Elliott Johnson, Ernest Spiegl, Irving Roemer, Frank Salfingere and M. H. Stanley heard Horstkotte point out the following facts.

THERE IS A DEFINITE health hazard in the Orinda area. In order to relieve this situation the upper and lower Orinda pumping stations would have to be expanded. This, however, would throw an excessive burden on the gravity flow system which carries the sewage through Lafayette and Walnut Creek, causing overflow situations at the Moraga bypass and the Newell Creek bypass. This would require an additional main trunk section through this area.

However, the problem does not end there. The digestor capacity at the sewage plant in Pacheco is of three cubic feet per person per day, according to state standards. At present the digestors installed can handle 1,100,000 gallons. This equals a population of 45,000 people capacity. There are presently 13,000 connection, according to the engineer and figured at the rate of 3.4 persons to the connection, the plant is handling 42,000 people. This is almost capacity at 100 per cent efficiency.

Horstkotte pointed out that his figures did not include expansion of the Pacheco plant. If the board decides on a clear-cut expansion policy for the district, additional facilities will have to be installed at a cost which has not yet been estimated.

"AND IF YOU EXPAND," pointed out the engineer, "there is no turning back. You can't shut it off when it starts."

"If the population continues to grow as it has in the next two or three years we will be regularly exceeding the limits of our capacity," he continued. "If we are to fulfill our obligations as set by the state we need in excess of $2,000,000 and we need it now. I have carried this as far as I can. You gentlemen are the policy makers."

"Can we alleviate this situation by eliminating the flow of excess water into the sewer system?" asked Spiegl.

"Yes," answered Horstkotte, "If it can be done in a reasonable length of time . . .and that sort of investigation requires extensive examination."

AT THIS POINT the discussion of the board turned to the problem of annexation of outlying districts. Spiegl maintained that an annexation policy should be adopted if it could be made to pay. It was his thesis that incoming districts should carry the costs of annexation plus some of the costs that have been put into the system by the present district.

After much discussion the board decided that annexations would be considered if they could be arranged on favorable terms and that the only way to acquire funds to do the work needed at present was through a bond issue. The only dis-

1500-Home Tract Planned by Rheem In North Moraga

Zoning of the North Moraga Valley area by the Board of Supervisors Tuesday cleared the way for development of some 1700 acres of Donald L. Rheem property into a $4,000,000 home and shopping center.

The supervisors approved the County Planning Commission's recommendation for zoning the area into half-acre residential agricultural, quarter-acre residential, retail business and multiple family residential sections.

ATTORNEY GORDON W. Mallatratt, representing Rheem, said the planning for the huge tract was intended to be in line with development of the county's long-range Master Plan.

F. W. DRAEGER, Rheem's engineer, announced that plans are being drawn for construction of about 1500 homes, to range in price from $20,000 to $35,000.

Near the center of the tract, at Rheem Boulevard and Jonas Hill Road, a shopping center will be built, Draeger said.

DRAEGER ESTIMATED that the work on the project will start by June.

County Planning Technician Tom Heaton said the area zoned was the largest in four years in this part of the county.

The land is adjacent to Moraga Company holdings and is northwest of St. Mary's College.

IN ANOTHER ACTION, the supervisors approved the zoning for the Canyon area as recommended by the Planning Commission.

This zoning consists of half-acre residential and agricultural sections.

Orindan Injured When Car Upsets

George Allgire, 37, 3 El Toyonal Road, was injured Saturday when his car overturned on State Highway 4 three quarters of a mile west of the Alhambra extension, according to the State Highway Patrol.

He was taken to the Martinez Community Hospital where he was treated for abrasions and a fracture of the right leg. Hospital authorities said that he was released Sunday morning to the care of his private physician.

No cause for the accident was given.

Measles Higher Than Usual in County, Schools

A check with county health officials revealed that there are measles in the area — and in greater quantities than usual.

According to Lloyd Frost, health educator, there was a total of 380 cases of measles reported in the county last month, which is considerably above normal.

"IN JANUARY we had 139 cases and in February about 114," said Frost. "This is about average."

A check with the schools in the area gave the following information.

German measles have reached epidemic proportions in Canyon School. One third of the children were out this week and so was the principal, George Masters. Dr. Henrik Blum, county health officer gave his permission for the school to recess for the week.

According to Joseph Sheaff, superintendent of schools in the Orinda district the measles are subsiding but mumps are on the increase. He said that the situation had not been serious.

W. B. ELLIS, LAFAYETTE superintendent of schools reported the situation about the same in the Lafayette District.

Better news comes from Walnut Creek. Sheldon Rankin, superintendent, told The SUN, "though there are undoubtedly a few cases around, there is nothing of epidemic proportions. I checked the attendance figures last night, and we have just a few less absences than average."

"Whatever disease you name," he continued, "we have some cases. But htere is no measles epidemic here."

Lions Box Social Big Success

The Orinda Lions are still talking about the success of their box lunch social at Carroll Ranch Saturday night.

Following a round of cocktail parties at private homes the Lions and their wives started spirited bidding for the various box lunches. All funds were set aside for the benefit of the Blind Center in Oakland sponsored by Bay Area Lions Clubs.

There were approximately 50 people present, eating, talking and dancing to juke box music. Jerry McKinley came home with the top prize, a bottle of fine old Scotch.

Contra Costans Eye Rival Bills For State Roads

Central Contra Costans eyed the rival Assembly and Senate highway development proposals with deep interest this week as the measures approached the showdown stage in Sacramento.

Matters of vital concern to this area contained in both Senate Bill 1061, passed 33-5 by the Senate last week, and the bill of Assemblyman L. H. Lincoln (R-Oakland). The Senate bill is authored by Senator Edwin J. Regan (D-Weaverivlle).

The Lincoln bill calls for a second tunnel paralleling the Broadway Low-Level Tunnel in a 4200-mile statewide "mainline" system.

The Regan bill includes Highways 24 and 21 in the proposed Strategic State Highways System.

THE REGAN PROPOSAL, sent to the Assembly after a number of amendments were defeated, proposes a 4965-mile strategic highway system.

In support of his proposal, Regan said:

"This mainline system would be completed within a 10-year period if we have a tax increase of a cent and a half. All new money would go exclusively to the mainline system."

BUT LINCOLN SAID his bill would "take the highways out of the tall timber and mountain goat country and put them where the people pay for them."

Senator George Miller Jr. (D-17th District) was one of the five who voted against the Regan bill. Senator Arthur H. Breed (R-Oakland) was among the 33 who voted for it.

OPPOSITION TO the Regan measure is anticipated in the Assembly, which is considered predominantly "metropolitan" in representation. The Senate is considered to be largely "rural" in makeup.

Fate of both measures apparently depends to a great extent on whatever financing arrangements are worked out.

On Tuesday, the Senate Transportation Committee deferred action on a bill to boost gasoline taxes 1½ cents. It was reported that a one-cent hike seemed most in favor.

Orindans Asked To Protest PGE Plans to Board

Opposition to Pacific Gas & Electric Company's plans for a 220,000-volt power line over Orinda Country Club and adjacent property surged into a supercharged new form this week.

Letters were mailed to 1000 Orinda families north of the Crossroads, asking them to protest directly to PG&E directors.

Sending of the letters followed an extension of time granted to the Country Club, represented by the law firm of Tinning and DeLap, to May 6 to plead in Superior Court in Martinez in answer to PG&E's condemnation suit against the club.

No date has yet been set for court hearing, according to George Hauerken, club secretary.

MEANWHILE, plans of the Orinda Association for polling Orindans on their opinions of the PG&E plans, through the pages of the Orinda News, official monthly publication of the organization, have been tabled until the full committee arranging for the polling is present at an association board meeting.

This committee consists of Zach Montgomery, chairman; Hauerken, Stanley Allen and Everett Howe.

The letters sent this week were signed by the "Aroused Orinda Protective Committee," with the following persons' names listed under the group name:

Mrs. Thomas Barrows, Mrs. Melvin Jacobus, J. Lloyd O'Connell, J. W. Rupley, Milton L. Selby, Lindsey Spight, Karl E. Fitch, Robert Harrison, Mrs. Warren Harrold and Mrs. J. H. Schwarck.

According to Spight, the group was formed during the past several days after some conversations in person and by phone. "There have been no formal meetings," he said. "It's a volunteer committee, and was started last weekend."

The letter states:

"OUR BEAUTIFUL VALLEY is threatened by another set of PG&E high powered lines twice as dangerous and even larger and uglier than the ones we already have.

"You may have read in The Orinda Sun about the fight some of our public spirited citizens are putting up to stop the PG&E from erecting a new set of towers carrying 220,000 volts of power right through the center of the valley.

"These power lines are dangerous. You have probably read newspaper accounts during the winter months of high powered transmission lines falling. This can happen to us as aside from the normal hazards of any man-made construction; it is not unknown for our adventurous small boys to use the insulators in the towers for target practice.

THE POWER WHICH will be transmitted through these new lines is not for the use of Orinda but for the industrial expansion of the entire Bay Area.

"We recognize the need, but we cannot agree with the method.

"The PG&E has two practical alternatives, both of which would substantially reduce the danger to our property and our children, aside from the effect on our property values of additional community eyesores.

"ONE OF THEIR alternatives would be to take these power lines from the Orinda corners up to and along the crest of the Berkeley Hills on East Bay Municipal Utility District property, where they either now have an easement or can secure one.

"The other would be to use their present easement more efficiently by transmitting the greater power requirements in 330 KV and even 385 KV lines rather than the present 110 KV lines.

"We are assured that either of these alternatives is thoroughly pos-

Town Hall Topic Thursday Will Be Master Planning

Next Thursday night at 8 o'clock in the Orinda School auditorium a Town Hall type meeting will be held on the subject of the master plan for Contra Costa County.

An extensive program has been organized by the Orinda Planning Committee, the Orinda Association and the association's Civic Affairs Committee.

Program for the evening is as follows:

Chairman: Frank Hart, chairman of the Civic Affairs Committee.

Speakers: Peter Veitch, president of the Orinda Association, on "Zoning Restrictions in Orinda and Their Origin."

Arthur Young, member of the Contra Costa County Planning Commission, "The Scope of the Contra Costa County Master Plan and Its Impact on Orinda."

Boone Robinson of the Independent Citizens Committee on Planning, "Planning for the Whole County."

Woodbridge Marshall, "Techniques of Planning."

H. L. CUMMINGS, chairman of the County Board of Supervisors, "What the Board of Supervisors Expects from the Master Plan."

Donn Sigerson of the Orinda Planning Committee, on "Why Orinda Must Plan for Its Future."

Sigerson, chairman of the Planning Committee, stated:

"This is a most important meeting for all Orindans who are concerned with their property values and the growth and development of Orinda.

"THE MASTER PLAN IS in the making. Its final form and significance will, to a large extent, depend upon the interest shown by the people.

"I am convinced," he said, "that, to the extent that the Orindan is cognizant of the implications of the Master Plan, to that extent will he turn out for this meeting.

"With the advent of the Master Plan all previous zoning restrictions and past ordinances will be of no value toward protecting home owners from unscrupulous subdividers. With the Master Plan a whole new set of restrictions will be written and become the law.

"IF THE PEOPLE of Orinda sit back and relax, those elements in the county who have long looked with envious eyes at Orinda as a desirable spot for low cost housing projects will attain their profitable end."

When asked what a home owner could do to insure a Master Plan tailored to the desires of the people and to comply with the physical environment of Orinda, Sigerson stated:

"There is a lot they can do. The first step will be to become conversant with all of the elements involved by attending the Town Hall meeting."

Committee Okays 'Urban' Measure

The "urban unincorporated" proposal, Assembly Bill 1841, has been approved by the Assembly Municipal and County Government Committee.

Only one dissenting vote was cast — that of Assemblyman Frank Lanterman (R-La Canada) — as the measure was sent to the Assembly with a "do pass" recommendation.

The measure was authored by Assemblyman Earl Stanley (R-Balboa Island), with several other assemblymen, including Donald D. Doyle (R-Lafayette) of the 10th District, as co-authors.

It Taxes the Weatherman To Have It Rain

We found the weatherman feverishly pouring over reams of papers, figures and complicated graphs. When we ventured to interrupt him, he pushed back his green eyeshade and said, "Go away. I've got to figure out my state income tax."

We reminded him that filing date was Wednesday, and he nearly had a fit.

"I get paid by the inch of rain," he said. "We've had 26.65 inches this year, as close as I can figure, but I don't know how much I made."

We asked him if he could figure out the temperatures for us for the period of April 9 through yesterday without too much trouble and he said sure, whipped out a slide rule and announced: "High, Wednesday, 70 degrees. Low, April 9 and 11 with 32 degrees."

"Thanks," we said, "but he was again deep in figures as we tiptoed out.

It's time to roll up your sleeve...

WHERE WILL ORINDA FIT into the Master Plan being developed for Contra Costa County? That will be the general subject at next Thursday night's Town Hall meeting on Master Planning, to be held at Orinda School auditorium under sponsorship of the Orinda Association. Mapping final plans for the public gathering are, left to right, Boone Robinson of the Independent Citizens Committee on Planning, President Peter Veitch of the Orinda Association and Chairman Frank Hart of the association's Civic Affairs Committee. Hart will be chairman of the meeting.

List Standings of Subscription Contest

It's not too late to join The SUN's Circulation Club and win that brand new, two-door, Chevrolet sedan from the Reichhold Chevrolet Co. in Walnut Creek! Similar cars may be seen in their showrooms, and The SUN's first grand award will soon be on display there.

Second award will be an all-expense tour of Mexico City and surrounding places of interest.

Then there'll be a $100 cash award to an Orinda area resident, another to a Lafayette area resident and one to a Walnut Creek area resident.

There are no losers in this contest — all who do not win one of the top awards will be paid a liberal cash commission on all subscriptions turned in by them.

A number of new names appear in the list of nominees this week. There's plenty of room for more! Send in your own name or that of a friend.

The name of Mrs. Ted Freedman of Orinda has been withdrawn from the list, at her request. Mrs. Joseph Creighton and Mrs. Robert Anthonisen, both of Orinda, have also dropped out of the contest.

HERE ARE THE standings in The SUN's Circulation Club Contest as of 5:30 p. m. Tuesday:

Acalanes Board Discusses Plans For Orinda, WC

Acalanes trustees Monday night okayed bids from Kreplin Co. for $2439 for a hoist for bus maintenance sheds and a bid for two special short wheelbase buses at $8240 each from Gillig Brothers for the difficult Orinda elementary school runs.

O. C. Jones and Son were awarded contracts for sidewalks and curbing at Las Lomas School for $1443.

MRS. RUTH WALLIS, Walnut Creek recreation director, and Elmer Hansen, Walnut Creek city councilman, discussed the possibilities of constructing a swimming pool at Las Lomas in the near future.

Trustees indicated that if the community were able to raise one-half the construction costs, work on the pool might be started this year, much sooner than the district had otherwise contemplated.

BOARD PLANS for the high school scheduled for Orinda are proceeding on schedule, according to Superintendent Neil M. Parsons.

Planning through the district administration and committees of teachers, with stress on the educational-functional facets of the Orinda plant, is well under way, Parsons stated.

CONSTRUCTION OF the Orinda school will mark a major step in the 10-year planning program of the board to meet the anticipated 4800 district enrollment in 1960.

The Orinda site, 50 acres purchased two years ago by the district, will be graded this summer. While the board hopes that enrollment at Orinda can be held to 1200, provisions are being made to meet an 1800 enrollment if the necessity arises.

"THE BOARD IS working to provide modern and adequate facilities which will serve to the best possible degree the educational needs of the young people o fthis area," Ralph C. Hall, trustee from Orinda, declared.

A site utilization plan for Orinda is slated to be presented to the State Division of School House Planning in the near future.

Acalanes Parents Plan 'Cake Sale'

Telephone committees in Walnut Creek, Lafayette and Orinda will begin work next week on the "mythical cake sale" of the Acalanes Parents Club.

A Spring Cake Sale has been a tradition of the Parents club since Acalanes was established, according to Mrs. John Fry, ways and means chairman, as a fund-raising project for student scholarships. But this year, she explained, the "cake" will be a cardboard creation on display at the club meeting April 27, with dollar-sign candles signifying the number of donations to the fund.

"WE FOUND LAST YEAR," Mrs. Fry said, "that people who were asked to send either a cake or a dollar preferred to give the money rather than the time and trouble needed to make a cake. We ended with only 49 cakes, and around 200 dollar contributions."

Those contributing this year will not be asked to send cakes, but their dollar contributions will add candles to the "mythical" cake, to be represented by the cardboard display at the evening meeting in the school cafeteria. The cake is being designed and made by club members.

"ANYONE WHO wishes to give a real cake," Mrs. Fry said, "is of course welcomed to do so. We have some champion cake makers among our parents' group. Any such cakes will be sold at the meeting, and their proceeds will add dollar-candles to the mythical cake."

Parents Club President Fred Knobel announced that proceeds of the projects will provide college scholarships for students who would otherwise be unable to continue their educations.

Red Cross Plans Baby Care Course

The Mt. Diablo Red Cross Chapter will again offer classes in Mother and Baby Care.

A qualified Red Cross instructor, Mrs. Jeanne Marshall, will instruct the classes Tuesday and Thursday nights from 8 to 10 p.m. at the Chapter House, 1395 Ygnacio Avenue, Walnut Creek.

The first class is scheduled for May 5. Further information can be obtained at YEllowstone 5-5817.

The classes are a part of the volunteer program of the Red Cross and are open to fathers and mothers, grandmothers, or anyone who is likely to be caring for children.

SUN Says 'Hats Off to County Commuter Group!'

"Watchdog" may be a greatly overused word, but not when applied to the Contra Costa County Commuters Association.

Most of the residents of this area work in the East Bay or San Francisco. Commuting to and from their jobs is a twice-daily operation.

The problems of commuting are many. Congested highways, need to obtain improvements in bus service, establishment of bus-waiting shelters at appropriate spots — these are but a few of the items that constantly challenge the commuters.

These problems are as acute for this area as weather and soil conditions would be for a predominantly farming area. They intimately affect the livelihoods and welfare of thousands of families.

Whenever and wherever such area problems arise, the Contra Costa County Commuters Association goes to bat. And its batting average is pretty high.

In addition, during the protracted Greyhound strike of more than a year ago, car pools were successfully organized by the association.

For vital services such as have been mentioned here and for many others, The SUN respectfully doffs its chapeau and says: "Hats off to the Contra Costa County Commuters Association!"

USO Tells of Need For Volunteers

An invitation to Central Contra Costa County girls and women to participate in activities of the new USO Center scheduled for opening at the Walnut Creek Recreation Center in mid-May has been issued by Mrs. Donn Court of Lafayette, chairman of arrangements.

Hostesses, chaperons and donors of sandwiches and cakes are needed to assist in providing enjoyable Sunday afternoon recreation for servicemen from all Bay area military installations.

Girls 17 years of age and older are eligible for hostess roles, and are especially urged to call Mrs. Court at Lafayette 2762 for complete information regarding registration.

Harold E. Davis of Walnut Creek will serve as Center Director. Other committee chairmen include Mrs. Ruth Wallis; Hostesses, Mrs. J. B. Phillips and Norma L. Warner, of Walnut Creek; Food, Mrs. J. D. Doherty, Concord and Public Relations, Mrs. Duane Neuenschwander, of Orinda.

Cancer Drive To Be Biggest Yet

CONTRA COSTA members of the American Cancer Society plan the strongest drive in the history of the local branch, according to Mrs. Charles Fuller secretary of the Contra Costa County Branch.

In 48 states, Alaska and the District of Columbia the Society is conducting a concerted drive to raise $18,000,000 for the support of its year-'round program of cancer research, education and service.

The 1953 battle-cry is "Fight Cancer with Knowledge," Mrs. Fuller said. More than 50 million copies of "Cancer's Seven Danger Signals" will be distributed during the month.

THE SOCIETY points out that one out of every three persons stricken with cancer is being saved. In addition, half of those whose lives still are being lost to cancer also can be saved, if the disease can be detected early and treatment started in time.

To save the lives of that additional 50 per cent is the aim of the program and its annual April crusade.

Mrs. Fuller reports great satisfoction among local members over appointment of Mrs. Dwight D. Eisenhower as honorary national chairman of the 1953 Cancer Crusade.

Bortin Enters Trustee Race

David N. Bortin, Concord attorney, announced his candidacy for a seat on the board of trustees of the Contra Costa Junior College district this week. He will oppose trustee Fred Abbott of Brentwood at the May 15 election.

Bortin is currently giving a course in public speaking at the Mt. Diablo evening school. He and his wife Bonnie and their two children live at 1999 San Carlos Street, Concord.

A practicing attorney in Concord for more than two years, Bortin is chairman of the Central Contra Costa Water committee. The group was formed to find a way to get cheaper water for homes in the Concord and Pleasant Hill areas.

"I would like to see the junior college integrated into the life of the community and perform services for as many people of the community as possible," he said.

"The college means training and leadership for our young people and an aid to the growth of the county. Such a college also performs many valuable services for people not enrolled on a full-time basis through its adult education program," he continued.

Bortin was a member of the varsity debating team while at the University of California. He attended the U. C. School of Jurisprudence.

Quakers Prepare for Clothing Drive to Benefit Korean People

"How do you suppose it would feel to own just the clothes you are wearing, and no more? Millions of people in Korea and in other parts of the world are in that unbelievable situation today."

With these words spoken by Russel F. Jorgensen, representative of the American Friends Service Committee the service committee's annual drive for clothing was launched in Lafayette.

This will be carried on simultaneously with drives in Orinda and in Walnut Creek. The occasion was a meeting held at the home of Mr. and Mrs. J. M. Davis of 3172 Stanley Boulevard, Lafayette, Friday. May 2 to May 9 inclusive was the date set for the drive.

An organization of committees was set up and plans for the drive were made. Mrs. J. M. Davis will be the general chairman of the Lafayette Area, Georgia Busch publicity chairman and Mr. and Mrs. Charles Nimmo are responsible for depot selection, truck collections and trans-shipment of clothing into Berkeley.

In the Walnut Creek area Olive Grubb is the general chairman and Mrs. Wallace Shaw is the chairman on publicity.

Clothing will be sorted at the Lafayette depot by crews of women who will volunteer a half day of work at this job, and the clothing can then be shipped directly to Korea and will arrive there six or eight weeks after collection.

Last year the drive in Lafayette netted over three tons of clothing which would mean something like 10,500 garments. This clothing according to Jorgensen was among the best in quality of any clothing received. Jorgensen stressed the point that clean, sturdy, "lots-of-wear-left-in-them" garments, and shoes are what is needed.

Bedding and soap are also in desperate shortage.

Red Cross Drive Totals $29,653

All volunteer community chairmen of the Mt. Diablo chapter met Tuesday at the chapter house with Fund Drive Chairman Edmund S. Barnett to discuss the March drive of the American Red Cross.

This chapter exceeded its $28,900 quota by $753.76, with a total of $29,653.76 received as of Monday, with Walnut Creek, Alamo, Orinda, Diablo, Danville and Moraga passing their goals early in the campaign.

The national headquarters of the Red Cross reported that it recently turned over to the Office of Defense Mobiliaztion the first consignment of gamma globulin. Red Cross donated gamma globulin will be available to families exposed to polio this summer in every state and U. S. territory, rather than be restricted to epidemic areas, according to the Office of Defense Mobilization.

Chairmen present at the discussion tea and meeting included Mrs. Albert Morcon of Alamo, Mrs. Robert O'Neil of Canyon, Mrs. George Riser of Danville, Mrs. Samuel Stockton of Diablo, Mrs. Matt Connelly of Walnut Creek East, Mrs. Virgil Williams of Walnut Creek South, Mrs. Harrold Hawley of Walnut Creek Northeast, Mrs. A. T. Bloxham of Walnut Creek West, Gene Mortarotti on Walnut Creek business, Mrs. Channin gKilburn and Mrs. Standish Massie of Orinda, Mrs. Harold Parker of Moraga, Mrs. Donald Doyle and Mrs. Irving Julius of Lafayette, Mrs. Carl Flinchbaugh of Pleasant Hill, Mrs. George Emanuels of Ygnacio Valley, Leland Russell from the schools, Mrs. Philip Merrill, publicity chairman, and Edmund S. Barnett, fund drive chairman.

Individuals not directly contacted by the drive solicitors during March are invite dto send checks to the Mt. Diablo Chapter House, Walnut Creek.

More About PG&E Lines Protest

(Continued from Page 1)

sible and practical but would cost the PG&E a little more money and effort than would be required to continue their present plan and run the new line right down through the valley past our Orinda School and our homes and churches.

"THE NEXT POWER LINES after these may be over your home. The alternatives seem to boil down to dollars or possible human lives.

"Under the present PG&E plan, all of the danger and loss of property values is inflicted on Orinda. Under our suggested alternative, the danger and loss of property values to Orinda is removed, and the additional cost would be spread over the entire PG&E system.

"Attached is a partial list of the directors of the PG&E. If you agree with our effort to protect our beautiful community against additional dangerous and ugly power lines and towers, will you please write at least one of the directors on the attached list and strongly register your personal protest?

"If you are a PG&E stockholder, please mention that fact. Will you also discuss this with your neighbors and ask their support, too?

"NO GREAT CORPORATION, particularly a public utility, can be blind to the public welfare of the communities they serve.

"This is a public relation protes' from the earnest citizens of Orinda aimed at the directors rather than the operating heads of PG&E, as it is felt that the directors will have a more objective point of view.

"Will you please write at least one such letter today? It might save a life that is dear to you."

PG&E directors listed, all of San Francisco, are:

Frank E. Buck, 58 Sutter Street: James F. Crafts, 401 California Street; W. W. Crocker. Crocker First National Bank of San Francisco, Post and Montgomery Streets; Walter A Haas, 98 Battery Street; Norman B. Livermore, 216 Pine Street; James K. Lockhead, 464 California Street; Elliott McAllister, Bank of California, Sansome and California Streets; Henry D. Nichols, 200 Bush Street Silas H. Palmer, 58 Sutter Street and Walter H. Sullivan, 155 Montgomery Street.

Scouts Plan Paper Drive, Camp-Out

Scout Troop 207 will again collect papers for the benefit of its Guide Dog Fund on May 2 and 3.

This time there will be a truck parked behind the Orinda Hardware and one behind the Orinda Motors. It is requested that residents, if possible, bring their bundled papers down to these trucks on these two days.

If this is not possible please call Orinda 2187, 8904, 8290 or 8257 and ask to have the papers picked up. In addition squads of scouts will be assigned territories to pick up papers along the streets.

In the past, because of limited time, the scouts have been unable to pick up much paper but this time they hope to gather in all available papers as all scouts and their parents will help one of the two days.

The first camp-out of the year will be held tomorrow and Sunday in Redwood Canyon. Scouts are asked to be at the Scout Hut tomorrow morning at 8:30 a.m. and they will return Sunday noon.

Another camp-out is planned for May 16 and 17 at Indian Beach.

There will be a Court of Honor at the Scout Hut Tuesday.

Applications for summer camp at Camp Wolfboro in the Sierras in Stanislaus National Forest were passed out to the scouts at the last meeting.

One Secret to Success Lies in Keeping A Secret

Can you keep a secret? The SUN and Contra Costa Shopping News can, and this is how it happened.

A lady (who shall remain unnamed, because if we told it wouldn't be a secret anymore) lost an item, and she didn't want her husband to know about it.

So she placed a classified advertisement with The SUN, and her name was kept anonymous.

At about the same time, a gentleman found an item, and being honest, promptly placed an ad with The SUN.

The SUN, putting two and two together, and guessing that four might result, got the two together . . . and still kept identities secret.

Net result: One satisfied lady, who lost an item, had it returned, and nobody was the wiser: One gentleman with a clear conscience and a sense of having helped another person in distress; and two pleased advertisers.

And The SUN has still kept the secret . . .

Sewer Board Sets Bond Issue Vote

(Continued from Page 1)

senting voice was that of M. H. Stanley, who consistently maintained that "we should get ourselves on a paying basis first before we assume other obligations."

THE BOARD voted unanimously for a bond issue to the full amount of the legal limits of the district.

Thursday night the board will convene in an adjourned session to discuss the report issued by the firm of Headman, Ferguson & Carollo, consulting engineers, at 7:30 p. m. at the district office on Mt. Diablo Boulevard.

WHY do we need blood?

Capt. Mary Younger, Army Nurse Corps, answers the question: *"I'm stationed at an Army Hospital*—far from any front-line fighting. But here the biggest battle of all goes on . . . the battle for life.

"Day after day, I've seen the blood you donate restore health to the shattered, life to the lifeless. Helping these men, watching them, I've come to understand why the need for blood—wherever used—is *always* urgent."

YOUR BLOOD may go to a combat area, a local hospital, or for Civil Defense needs. But wherever it goes, this priceless, painless gift will some day save an American life!

'Absurdia' Gets Final Polishing

With the fourth annual showing of "Absurdia in Suburbia" to open April 30 at the Acalanes High School auditorium, final polishing of the Orinda Mothers Club production is now under way.

The members of the cast will hold dress rehearsals at the Orinda School auditorium next week. The first act will be rehearsed Monday at 8 p.m., while the second act follows up at the same time Tuesday night.

The show wil run April 30 and May 1 and 2. Those in the Lafayette area who desire tickets may contact Mrs. Ruth Butler at Lafayette 4597.

For Orinda residents, Ruth Henry (Orinda 2852) and Gladys Hamburg (Orinda 8575) are in charge of ticket distribution. They have district salesmen working with them, and will tell purchasers the location of the nearest salesman.

On opening night, ambulatory and wheel chair cases from the various hospitals in the area will be guests of the Orinda Mothers Club.

Doors to the auditorium will open at 7:30 p.m. each night. Ticket booths will be opened at 8 p.m., and curtain time is 8:30 p.m.

Mrs. Lohse Attends Sister at Wedding

Mrs. Charles Lohse of 54 Miraloma Road, Orinda, was matron of honor for her sister, Georgia Moore Flye of Piedmont, who became the bride of Warren Helsham Radford of Berkeley Saturday at St. Paul's Episcopal Church in Oakland.

Mrs. Lohse's five year old daughter, Betty, was flower girl and Mr. Lohse ushered.

Have House Guests

Mr. and Mrs. Frank J. Thomas of 25 Broadview Terrace, Orinda, had as their weekend guests recently, Lieut. Col. and Mrs. Alex Gay and children, Alex Jr. and Ben, of Redlands.

Mrs. Thomas and Mrs. Gay were former classmates at Georgia State College for Women. Lieut. Col. Gay is stationed at Norton Air Base near Redlands.

Cubs Go Hawaiian, Start Baseball

Bruce Howard, packmaster of Cub Scout Pack 212, found himself muffled in paper leis Friday night at the Community Church.

At the monthly meeting of the pack each den presented Howard with a lei made especially for him. In addition to this Den 8 presented him with a ceremonial robe, hat and spears they had made for him.

All cubs also wore leis they had made for themselves, and the cubs of Den 2 completed their costume with grass hats. It was a gala occasion topped off with a beautiful color film of life in Hawaii.

Among the craft work exhibited were wastebaskets covered with Hawaiian tapa paper exhibited by Den 4, handmade moccasions by Den 1, serpentine coasters by Den 3 and representative prints of flowers and industries of Hawaii by Den 7.

The annual picnic will be held on the night of June 7 at Camp Padre in Tilden Park.

Tomorrow Pack 212 will meet Pack 211 for the opening baseball game of the season at 10 a.m. at the Orinda Grammar School. Enthusiasm is running high for this opener and a big crowd of players and onlookers is expected.

Letters to the Editor

Dear Editor:

On behalf of the Clipper and Shipmates Clubs, who produced "Sleeping Beauty," the Skippers, Mr. and Mrs. W. C. Branch and Mr. and Mrs. Elbert Wayne, want to announce that the production was a financial success; and to thank everyone who helped to make it so.

In particular, they want to mention the work of the Kronke Company on the sky drop; Styles and Engelman on the perfectly balanced sound system; and the Orinda School Board for its generosity.

To the individuals whose professional contribution made the production an outstanding success, and to the other volunteers, without whose untiring efforts the performance could not have been staged, they wish to extend their sincere appreciation.

CLIPPER and
SHIPMATES CLUBS

Dear Editor:

May I express my thanks to you for an outstanding job in the past year in publizing our Adult Education Program.

You have been a real help to us and especially to our communities in carrying this information.

Your coverage of our recent change in quarters was wonderful and we really appreciate it.

Sincerely yours,
GEORGE H. HOUGHTON,
Director,
Acalanes Adult Education

Dear Editor:

The Board of Directors of the Mount Diablo Therapy Center has instructed me to convey their appreciation to your newspaper for the splendid cooperation and consideration given to the Center this past year. The coverage you have given to the program being carried out at the Center, the activities of the various auxiliaries, and publicity during our fund raising campaign, leaves nothing to be desired.

We wish to extend thanks to your wonderful staff as well. A great deal of their time has been given over to putting poor material into excellent reading matter.

The success of the Center owes a great deal to your interest and effort.

Sincerely yours,
C. J. Ross,
Executive Director

Colorful Costumes Add Plenty of Zest To 'Absurdia in Suburbia' Production

When the lights go on the first production number, and until the final curtain of "Absurdia in Suburbia" on April 30, May 1 and 2 at Acalanes High School, all of the brilliant costumes will be the work of Marsha Henning.

SHE FIRST designed the costumes, then made master patterns, and did all of the purchasing of materials .In addition she has supervised the making of costumes by her assistants and members of the large cost. Marsha estimates that she designed 175 costumes for this year's show.

Last year she assisted with designing and making costumes, but this year more costumes are being used. An art major in school, Marsha has spent all of her life among textiles and art, and loves it.

Assisting Mrs. Hennings are Jean Dudley, Louise Addie, Caroline Hecathorn, Helen Gibbs, Betty Jo Coffey, Betty Rose and Thelma Studley. Each is in charge of seeing that all costumes for a particular production number are cut and sewn, either by themselves or cast members.

ALSO ASSISTING Marsha with coordinating scenery and costumes are Bob and Barbara Duncan. They have designed and painted scenery especially for the colorful finale and other large numbers in the variety show.

The thirty silk screen posters that will go on display this week advertising "Absurdia in Suburbia" are the work of Mrs. Dana Cook.

The annual talent extravaganza is produced each year by the Orinda Mothers Club and all proceeds from the show will go toward the purchase of equipment for the three Orinda schools.

YMCA May Hold Fund Drive May 11-25

The Board of Directors of the East Contra Costa Young Men's Christian Association will meet April 27 to discuss plans for a fund drive.

THE DRIVE IS tentatively set for May 11 to 25, according to Jack Price, executive secretary. The goal will be from $8,500 to $10,000, he added.

As to the possibility of a YMCA building for the area, Price told The SUN that is far in the future. "It is more important that we work on our program than a building," he said.

THE EAST CONTRA Costa unit that is bounded by Orinda and Pacheco and Walnut Creek and Danville is part of a recent decentralized program of the YMCA, Price said. A decentralized program is one where activities are not centered in one building, but, as here, in sevral schools, churches, etc.

Board members are A. W. Elkinton, Harold Symes and J. L. Sheaff of Orinda; Ferd Kiesel and John Moiso of Concord; Elroy Condeff of Saranap; Wilbur Jacoby of Danville; Phil Cozad of Lafayette, and the Rev. Phil Solbjor, Warren Beberel and DeWitt Kreuger of Walnut Creek.

Mrs. Cook Back From Hawaii

Mrs. Nell Cook of 15 Acacia Drive, Orinda, returned March 26 from a six weeks vacation tour of the Hawaiian Islands.

Accompanied by her son and his wife she left San Francisco on the Lurline for a most interesting and luxurious voyage.

She stayed at the Moana Hotel for five weeks, and by boat, and chartered bus saw all the sights of Honolulu and adjoining country, and those of the big island of Hawaii.

Nowhere on the islands did she need a wrap or wear a hat. Her memories are of the beauty of the lush green vegetation and of the almost unbelievable variety of gorgeous flowers.

Hawaiian Vacation

Mrs. Dorothy T. Haggard of 221 Overhill Road, Orinda, will board the Lurline May 3 for a month's vacation in the Hawaiian Islands.

Go Greyhound

SURE, a car is a wonderful thing to have. *But,* we know for a fact that in *many* cases it's far more convenient and economical for you to go Greyhound. Experts say it costs 8¢ a mile to own and operate the average car*—that includes the "hidden" costs that many autoists usually don't count.

COMPARE this with Greyhound's low-cost, frequent, convenient service with no parking or traffic worries and you'll realize why we say..."Save yourself, your car and your money... Go Greyhound!"

Sociable Moraga Mike A-Visiting Goes

There's an aura of mystery surrounding the actions of a dog in the Lafayette area.

The dog's name is Moraga Mike . . . Mike for short, or Dublin Hill's Mike of the Gaels if you want to give him his official title.

And officially, he belongs on the Moraga Campus of St. Mary's College.

Unofficially he has been staying at the home of Mr. and Mrs. Emmett Sindahl, 3260 Rohrer Drive, Lafayette.

THE SINDAHL'S appreciate Mike coming around, because their dog was shot a couple of weeks ago, and "it has been a little lonely around the house without a dog."

St. Mary's students have not been at all sure of the reason for Mike's wanderings. It seems that he has never left home before, except under the watchful eye of several 100 of his masters when he performed as mascot for the Gael football team.

ONE THEORY IS that Mike has a love affair in the process . . . there's a cute cocker spaniel called Sissy who lives just two doors down from the Sindahls. Others believe that Mike has a tender heart and wanted to keep the Sindahls company after the shooting of their own dog.

Mrs. Sindahl remarked, "He probably just wants a woman's touch. He has had enough men for a while, I think."

AT ANY RATE, the Sindahls return him to the school, and a couple of days later Mike turns up, panting at the door.

At last report he was still there. Any other theories?

What Lafayette People are Doing . . .

Canyon Callings . . .

People from the community of Canyon provided the entertainment and refreshments for the patients at Camp Stoneman Hospital on Thursday evening of last week.

The Camp Fire Girls under the leadership of Mrs. George Chessum, arranged for cake donations from Canyon residents and served as hostesses at the hospital. The girls' part in the show was a skit "Smokey the Bear."

Other youthful talent included a magic act by Billy Jacobs and a two-piano duet played by Bruce and Douglas O'Neil. Clarinet numbers given by Arlo Compher were accompanied by the O'Neil boys.

Adult participation included a thumb-nail sketch of the Canyon area by Mrs. Robert O'Neil and a pantomime put on by a group of amateurs who bill themselves as the "Canyon Comiques." After serving cake and coffee to the soldiers in the hall, the Camp Fire Girls, with the help of hospital personnel, carried plates of cake to the bed patients in the wards.

The program was held in the Red Cross Recreational Hall where Miss Floy Kellum is Red Cross iDrector.

Entertainment for hospitalized soldiers of Camp Stoneman is part of a continuous Red Cross project headed by Mrs. S. H. McAllister of Lafayette, who is entertainment and instruction chairman for the Mt. Diablo chapter of the American Red Cross.

MRS. McALLISTER said that any group or individual, amateur or professional, interested in donating an evening at Camp Stoneman Hospital may contact her at Lafayette 4630.

Timmy Crawford celebrated his twelfth birthday on April 13. His mother has found it difficult to explain to him why, if he was born on an Easter Sunday in 1942 and had his birthday last year on Easter Sunday, his birthday will not again fall on Easter Sunday until the year 2031, when Timmy will be 90 years old! Of course, after that, he has only to wait a mere five years for another Easter Sunday birthday.

Captain Al Baitx of the Moraga Fire Dept. has received a well deserved promotion to the office of Assistant Fire Chief of the Eastern Contra Costa County Fire Protection District, according to members of the Moraga-Canyon Volunteers.

TWO WEEKS AGO Mrs. George Chessum nursed her son Jimmy through a seige of German measles. Last Sunday she discovered that red rash she had was — measles! At that time none of the rest of the family had contracted the disease. It is hoped husband George didn't, for at last reports he was spending the weekend with Bob O'Neil fishing on Shasta Lake.

Mrs. Gladys Beckman has taken over the duties of Blue Bird leader. Former leader Mrs. Ruby Timmons, with her daughters, has moved to Alameda.

Stanley Burpee has lost an old friend. His ancient Pierce-Arrow has expired, maybe not entirely, it still has some life, but its fire is gone. He now drives a modern Buick. Speaking of cars, the George Menges are driving a new Hillman Minx and the word has got around that that snappy new convertible seen on Redwood Highway belongs of the Ivan Pines.

Mr. and Mrs. Arlo Compher and family spent last weekend in Modesto visiting the Ed Cavanahs. A weekend spent with friends in their cabin in the Oroville foothills was enjoyed by the Allen Crawford family.

John Shally, representing the Canyon area, attended the zoning meeting in Martinez last Tuesday afternoon. A report will be given at the next Community Club meeting.

KID KWIP: Junior was "helping" his mother shop at the super market. As they passed the paper goods section, the youngster yelled at the top of his voice, "Gee, look, Mom, now they got chlorophyl toilet paper."

Moraga-Canyon Volunteer Fire Department will hold one of their series of dances given to raise funds for fire fighting supplies tomorrow night at the Moraga School.

L. P. Corbett Opens Oakland Offices

Laurence P. Corbett of Lafayette has opened offices in Oakland for the practice of corporation and labor law. He will continue to act as Labor Relations Counsel for the East Bay Hospital Conference.

Corbett has been associated for the past 2 years with United Employers, Inc., the East Bay Employers' Council, where he has served as Staff Counsel.

For the past 2 years he has been Executive Secretary of the Retail Clothing Association of Alameda County, Executive Secretary of the East Bay Shoe Retailers' Association, and counsel for the East Bay Candy Manufacturers' Association.

Corbett lives with his wife and children at 3280 Sweet Drive.

Gliozzi Family Moves to Lafayette

The James E. Gliozzi family, formerly of Overhill Road in Orinda, are now residents of Lafayette and also the parents of a new daughter, Diane Debra.

Movie Council to Meet Thursday

Members of the Lafayette Motion Picture Council will hold a meeting Thursday morning at 10 o'clock at the home of the group's vice-president, Mrs. Frank Behm on Leland Drive.

According to Mrs. Mel Nielsen, president, election of officers for the coming year will be held at this meeting. A list of motion pictures to be approved for showing at the Saturday afternoon matinees at the Park Theater will also be presented by Mrs. B. F. Kaplan, approval chairman.

Members of the Lafayette Motion Picture Council are making plans to attend the preview and luncheon meeting of the Berkeley Motion Picture Council at the City Women's Club Monday morning.

Masons to Hear School Officer

Acalanes Lodge, U. D ..of Lafayette will have Neil Parsons, Superintendent of the Acalanes Union High School District, as its guest speaker Tuesday.

Parsons' theme will be public schools, with special emphasis on the problems of our local high school district.

The meeting is at 8 p. m .at the Veterans Memorial Building.

The informal talk given by former FBI man Dale Stoops at the April Stated Meeting of the lodge was greeted with a high level of interest by the members present.

A question and answer session followed, with Mr. Stoops very capably enlightening his audience. The ex-G man is now practicing law and serving as a deputy district attorney in Alameda County.

Cub Scout Pack 220 Growing

Cub Scout Pack 220 is undergoing a severe case of growing pains.

Twenty one new cubs have joined the ranks since the inception of the pack three months ago and two more boys, Bobby Peddicord and Sammy Reich will be inducted as Bobcats at tonight's meeting, bringing the enrollment to 65 cubs.

The pack is divided into nine dens, each containing from six to 10 boys.

The theme of the month is Hawaii and the boys are making costumes for skits.

Paul Colin and Charles Roschen will graduate from the Pack to join the ranks of Scouts tonight. Cubmaster Charles Lobenberg, assisted by Harry Lietz, Dick Stemmer, Burch Snyder and John Whitehouse will supervise the graduation services.

Commend Pupils For Posters

Badges of merit were awarded this week to upper grade students of the Lafayette School for their work on posters advertising the coming Westival sponsored by the Lafayette P.T.A., Saturday, May 2.

The posters, which are on display in the winodws of stores in Lafayette and at the three schools, were designed and fashioned by the school children to assist in telling the story of the benefit western carnival planned by the local P.T.A.

Students receiving merit awards include Nancy Jo Smith, Betsy Garretson, Judy Sindahl, Karen Johnson, Norma Andereggen, Judy Morrison, Toni Scott, Julie erran, Nancy Della, Barbara Jensen, Dolores Roeschen and Karen Silva.

Girl Scouts Go Roller Skating

Lafayette Girl Scout Troop 63 joined other Girl Scout Troops of Lafayette in a roller skating party in Oakland last week.

After two hours of skating Troop 63 members took a picnic lunch to Lake Merritt and toured Fairy Land. This was followed by a trip to Mosswood Park for play on the swings and slides.

Girl Scout leader in charge was Mrs. Dorothy Buchanan, who was assisted by mothers Mrs. Georgia Lewis and Dorothy Gelhaus.

Girls participating were Marilyn Timoney, Joyce Gelhaus, Liane Berlin, Janice Buchanan, Diane Cadman, Bonnie Jean Lewis, Joan Hail, Rosemarie Roach, Suzanne De Haan, Linda Shafter, Lani Stewart, Susan Kelehor and Michele McKeegan.

BPW Club Will Hold Card Party

Lafayette Business and Professional Women's Club will hold a card party Monday night at Hal's Drive-Inn, 3339 Mt. Diablo Boulevard. The affair will start at 8 o'clock.

Refreshments will be served. Mrs. Hazel Courtney, president, announces that the general public is inivted.

It's cheaper to shop at home.

Planners Laugh, Grant Request

K. H. Hofman of Lafayette provided an interlude to the usually staid business proceedings of the County Planning Commission last week.

Hofman appeared before the board to explain his request for a five foot side yard for a garage at the rear of his lot in Acalanes Park.

"We have three cars in the family," he said, "and the big house trailer my father uses for vacations. We discovered we would have to cut down the side-yard or we couldn't swing the house trailer into its port and still leave room for a swimming pool."

The spectators who were jammed into the hearing room chuckled appreciatively, as Hofman continued:

"It all sounds very elaborate, but we all work very hard."

The commission recommended approval of his request to build the three-car garage with trailer port — 20 feet by 80 feet — with 5-foot sideyards.

Lutherans Will Hear Missionary

Missiionary O. P. Stavaas, a veteran worker among the Malagasy people on the island of Madascar, will speak at Our Savior's Lutheran Church in Lafayette on Tuesday evening at 7:30 p. m. Everyone is cordially invited to attend this meeting.

On Sunday morning Pastor Luther Berven will speak on the topic, "One Shepherd, One Flock," at both the 8 a. m. and the 11 a. m. services.

The Sunday School hour which includes the "Family Service" begins at 9:30 a. m. A nursery with a professional baby-sitter is provided for the small children at the 11 a. m. service.

Catholic Women To Discuss Mass

The next meeting of the Santa Maria Catholic Women's Club will be Monday at 8 p.m. at the Orinda Country Club.

Mrs. Charles Malone, program chairman, has announced that the speaker of the evening will be Father Howard Rasmussen of St. Augustine's Church, who will speak on "The Meaning of the Mass."

Mrs. Duane Neuenschwander, president, will announce the results of the Easter bake sale along with the usual agenda of business.

'Anger' to Be Sermon Topic

The sermon subject at the Lafayette Community Methodist Church Sunday will be "Do you Get Angry?"

The 11 a.m. service will be under the direction of the Rev. Harry E. Shaner and Bishop George A. Miller.

The sermon will interpret the questions, "When you are angry with your neighbor, is that the same as committing murder as far as the Christian Faith is concerned?" according to Rev. Shaner and Bishop Miller.

T. G. McGuire Rides In Army Jet Plane

Thomas G. McGuire, 3941 Lower Happy Valley Road, knows what it is like to fly in a jet airplane.

He was among 70 leaders of business, labor, industry and the professions who visited the Air Proving Ground Command, Eglin Air Force Base, Florida, on March 31 and April 1 in connection with the Joint Civilian Orientation Conference sponsored by the Department of Defense.

As part of the tour, McGuire was given a ride in a T-33, a 600 mile per hour jet.

McGuire is an executive vice president of the Industrial Indemnity Company.

GO TO CHURCH SUNDAY

Church Continues Post-Easter Fete

In observance of the Episcopal celebration of Christ's resurrection during a five-week period, service for the second Sunday after Easter will be conducted for members of St. Stephen's Church by the Rev. Charles M. Hill at 5 p.m. in the Orinda Community Church building.

St. Stephen's choir will sing as offertory anthem "I Will Lift Up Mine Eyes to the Hills" by Harker, with Stan Stidham as tenor soloist. Mrs. T. J. Fahay, choirmaster, will offer as organ selections, "Largo in G" by Handel and "Postlude in B Flat" by West.

Third bans for the marriage of Miss Marilyn Marvin and Stan Stidham, both members of St. Stephen's choir, will be published on Sunday, preceding the wedding ceremony which will take place on Saturday, April 25, at nuptial high mass at 11:30 a.m. in the chapel of Grace Cathedral in San Francisco. Invitations have been mailed for the marriage service which will be conducted by Rev. Hill with Sherwood Thatcher, former choirmaster at St. Stephen's and a long time friend of the young couple, attending as guest soloist.

The reception will be held from 2 to 4 Saturday afternoon at the Rockridge Women's Club in Oakland.

Rev. Morrow to Start New Theme

The vigorous post-Easter program of Orinda's Community Church continues Sunday with services in the chapel at 9:30 and 11 a.m. and 8:15 p.m., the latter for young people of high school age.

Sessions of the Sunday school are carried on at both morning hours. The Pilgrim Fellowship begins its evening meeting at 6:45 p.m. in the Fellowship Hall.

In the adult section which meets following the 9:30 chapel service, Dr. John Peoples will continue with the second of his current series of discussions on "A Christian Looks at World Affairs." The service itself is led jointly by Rev. Fred Morrow and C. Ray Fowler, student assistant, with Dorothy Turk at the organ playing Bach's "Arioso," "Elevation" by Guilmant and a march by Mozart.

The traditional worship hour of 11 o'clock is maintained as the church's central sacrament, with choral music led by Margaret Popovich and Daniel Popovich at the organ playing "Andante Cantabile" by Widor, "To Spring" by Grieg and "Andante con Moto" by Lasson. MacFarlane's "Open Our Eyes" is the choral anthem.

Rev. Morrow will begin a series of sermons on "The Three Faces of God," delivering the sermon Sunday on the theme "In the Beginning—the Father."

Women to Hear Canon Guilbert

With Canon Charles M. Guilbert of Grace Cathedral as guest speaker, members of the Women's Auxiliary of St. Stephen's Episcopal Church will hold a general meeting Thursday at 12:30 p.m. at the home of Mrs. M. M. Garrett, 3955 Happy Valley Road.

Head of publicity and director of Christian education for the Diocese of California, Canon Guilbert will speak on "A Woman's Role in the Church," a subject which has been discussed at some length in the publication of which he is editor, "The Pacific Churchman," and which is expected to be of considerable interest to local Episcopalian women.

Mrs. David Collamer, head of the St. Stephen's hospitality committee, will be assisted by Mrs. Sigurd Groennings, Mrs. Emory C. Heffington and Mrs. Robert Moorehead with arrangments.

Orinda Church Greets Newcomers

Described by attendants as a delightful occasion, the annual reception to new members of the Orinda Community Church held Wednesday evening in conjunction with the regular April Church Night dinner brought together a large group of families of this rapidly growing fellowship.

The program, planned cooperatively by the Diaconate and Church Night committee, included introduction of new families by their special hosts, music led by Mr. and Mrs. Daniel Popovich, a brief worship period conducted by the minister, Rev. Fred Morrow, and the showing of a film "The Story of a Main Street Merchant."

Sixty-four new members were honored at the dinner. Guild Section 3 was in charge of arrangements for the meal. Diaconate members who assisted in the planning and execution of the affair were Chester Pyle and Virginia Phair.

It's cheaper to shop at home.

Gossip for Gourmets

Now, don't let me scare you with that two-bit word. I think all of us who enjoy good food, tastefully served, are gourmets. And if you are one of the many (and what husband, wife, bachelor-boy-or-girl isn't?) we'd really love having you join the friends who "go-'round-with" our foods. There are hundreds of unusual and unusually-good foods in our store, including scads of imported delicacies that "make" a meal. Why not stop in before 6:30 p. m. and look things over at your leisure? We don't think you will be able to resist buying.

Room to swing a cat

You don't have to be a claustrophobe to appreciate the wide-open roominess of modern streamliners. Nobody likes to be cooped up, and on the train you have plenty of leg room and move-around-room. There are places to go on streamliners — to the Dining Car or Coffee Shop, or to the Lounge or Tavern Car for refreshment or recreation. And, of course, there's plenty of room for your baggage. Remember, when you're going any place, that there are no finer streamliners than the Southern Pacific "name" trains listed below.

Chair Cars on Southern Pacific's modern streamliners have been built with your comfort the first consideration. Dust-free, draft-free air-conditioning. No-glare fluorescent lighting. Soft-as-a-cloud foam-rubber seats. Extra large windows. Feather-touch doors. Spacious washrooms. That's why Chair Cars on S.P. streamliners are the most luxurious form of all low-cost transportation.

About our happy Country Folks

By KAY BECKETT
Guest Columnist

DEAR EDITH:

You certainly caught me at a bad time when you asked me to do your column for one week, you rascal. I'd just returned from our Orinda Branch Fashion Show, weary but jubilant that it had gone over so well and my feet hurt! When my feet hurt I can't think of any logical excuses so here I am. Wasn't it a perfect show? Such beautiful clothes! And Maddy Borden's decorations of fans and camellias were simply lovely everyone thought. Best show we've ever done, but then that's what we say every year.

I went through Mrs. Wallace Alexander's home the other day, where the Orinda Branch Garden Tour will serve tea on Wednesday, May 13. Beautiful Oriental rugs, teakwood dining set, on a Chinese hooked rug with a black border—stunning. Many unusual screens in the house and original oil paintings. The Alexanders collected treasures from all over the world in a lifetime of travel in connection with his part in the Matson Navigation Company. And Edith, the garden is a beauty. It is walled on one side with ivy growing in a diamond pattern. The furniture is white wrought iron. The pool is at a lower level. What a setting for leisurely enjoying tea after the tour!

Helen Wiggins just called and guess what? She wants me to do a imonial dinner table for the Orinda Garden Club at the Flower Show at the Oakland Auditorium, April 30. She said the Garden Club's outdoor exhibit is coming along in fine fashion.

Shirley Crawshaw, Ann Pollaczek, Roberta Spiegl and Mildred Cole have been laying brick like mad for the barbecue. You know the motif is a tropical outdoor dining area, modeled after the Luau. They are using spray orchids, beautiful colored leaves known as caladium loquats, banana and rubber trees. Doesn't it sound yummy? I hope we win a prize again this year.

MY, SHIRLEY Crawshaw has been a busy bee !Not only is she in charge of the aforementioned exhibit and photogenic besides, but she took time out to have the Alpha Phi pledges and advisers from Cal to a buffet supper—24 in all. Kay Goodwin of Orinda was present as a pledge and Patty Manners Everett of Lafayette as an adviser.

Pat and Don White spent Easter week at the fabulous "Sands" in Las Vegas and took the two older boys. A gay time had by all. Maxine Demeter returned from a trip to Albuquerque where she saw all her old friends. You know she used to live there. The Stuart Davis' spent the last holidays skiing at Squaw Valley with their children. Not a broken bone in the bunch! Tom McGuire went to Washington, D. C., where he met all the top notch Republicans. He was wined and dined by so many of the new brass in typical Capitol fashion that upon his return he and Mary took off for Santa Barbara to recuperate.

Milton and Daisy Selby spent the Easter vacation at their cabin at Tahoe. Janet and Joe Rupley were their house guests. Jim Wiggins took first in the boys' slalom at Soda Springs, his sister Lynn took second in the girls' slalom and Betsy Selby took third. Hooray for Camino Don Miguel people!

It's too bad you had to miss the Garden Club members' tour, Edith. It was lovely. Margaret Merrill's place looked beautiful with the wisteria hanging from the second story balcony (although she insisted it was past its prime). Isn't Margie Dean's home a dream? And the lovely white azaleas and camellias in bloom for the occasion plus other buds with unspellable names. What a treat to see! Of course, the Ballanger garden with oceans of lovely lawn, shrubs and trees makes me green with envy, until I think suppose I had to weed it! It was a cold day but the rain held off just long enough, and we ended up at Lindsey Spight's for tea with thousands of open-faced sandwiches just filled with calories, but who cared? Even yellow and white petit fours to match the daffodil centerpiece. Everyone was all dressed up for the occasion, even to hats. 'Twas fun.

Friday, the Holy Names College held a luncheon fashion show at Diablo. Tres gai. Orinda's beauteous Dorothy Reilly modeled some stunning gowns fit for travel to the coronation. Took a chance on a $100 merchandise order but didn't win. Darn it!

We finally got reservations at Las Vegas for the golf tournament, Thursday and Friday. Every hotel is sold out apparently, so I suppose that 'twill be a very merry crowd. It's a $35,000 tournament for PGA winners only, and consequently we should see some terrific golf. I believe Ezio Pinza will be appearing at the "Sands" at the time, so we will be able to see him.

Oh, Edith, I have to tell you about Riley, my seven year old. The other day he and his gang were over, playing in the basement. The result was havoc, to say the least. Thinking I would make it dramatically clear in language he would understand I said, "Riley, if you and your cowboys mess up this basement once more, I'll shoot you dead, right through the head." Riley looked me right in the eye. "If you do, it'll be a mortal sin," he exclaimed and walked off.

The Spanish and Indians were at it again at the Orinda Country Club Saturday. They held their 18th annual tournament which was really an obstacle race—holes in sand traps and on hill sides, appropriate costumes, war dances on the putting green, everything to disconcert the opponent. As usual, it ended in a tie, each team scoring 47½ points. Bob Johnson was low gross with a 79, Banker Johnny Stoffel tied with Dormis Peterson of Berkeley for second with 80. Carlton "Red" Rank of Happy Valley was chief of the Indians and Hi Jennings, club champion, captained the Spanish team. Ed Smith, a guest of Al Meggs, set a new course record by losing 18 golf balls! Needless to say it was quite a day. A banquet followed the golf and Heinie Gentry entertained with his Cement Mixers orchestra.

Friday night the Junior-Senior Banquet was held at Acalanes. Afterwards there were a number of parties. Well, it seems that in going from Carolyn Goforth's to Betsy Selby's some of the boys went via Charles Hill Road. There were a number of cars parked in front of Judy Dunn's house, and thinking she was having a party, too, and naturally unwilling to miss such an event, they marched up to the house. When they looked in the window they saw all the men in tuxes and the girls in formals! Whoops, wrong party. It seems that Roger Dunn was holding the DKE formal there. Seventy-five Dekes and their dates from Cal were present. Barbara Dunn said it was a wonderful party.

The Jack Sexsons, Bob Smiths and Howard Inmans and children took a house at Pebble Beach for the Easter vacation. They took a maid to watch the youngsters and the adults played golf every day.

Eileen, Bud, Michael and Shelly Pond are going skiing at Marion and Kjell Rustadts, formerly of Lafayette, at Tahoe. They say that their daughter Binth skis with as little effort as most of us walk.

ALL OF US are thrilled to see Pat Jelton at home again after her lengthy stay at the hospital. She looks wonderful. The operation was a complete success and within a few months she'll be as good as ever. Isn't that perfect?

Well, Edith, that's all the news now. Understand Marion (Mrs. Herbert) Dwight (Orinda 8743) will write for you next week.

Love,
KAY

P.S. The Bloodmobile will be at the Orinda Community Church Thursday, April 23, from 2 to 7. Baby sitters provided. For transportation call Mrs. Warren Arnett, Orinda 3177. Everyone come! And here is some Teen-ager news.

Friday night the Junior Class of Acalanes High gave for the Seniors, the class of '53, the annual Junior-Senior banquet. It was held in the cafeteria at school and a full course dinner including good food like ham and salmon loaf. This was followed by the entertainment on which the Juniors had worked hard for many weeks. So all in all the evening was very entertaining.

Following the banquet, several parties were held. Caroline Goforth had an open house which was a lot of fun; Betsy Selby and Marilyn Jeffries both had open house which was also terrific. Everything included, it was a wonderful evening.

Payroll Sums Analyzed in Efficiency Report on Sanitary District Operation

Almost three months in the making, the efficiency report on the Central Contra Costa Sanitary District by Headman, Ferguson & Carollo, consulting engineers, goes into comprehensive detail on such matters as payroll and car mileage.

Submitted to the district board by the Berkeley firm recently, the 68-page "Report on the Administration and Affairs of the Central Contra Costa Sanitary District" is scheduled to be the subject of a special meeting of the board on Thursday.

Schedules, graphs and maps form an important part of the report, which is based on the situation as of January of this year.

The consulting engineering firm was hired by the board for $1500 to prepare the report .Work on the survey was started January 5.

PAYROLL FIGURES for two and a half years are listed in detail.

These show a $186.802 total for the 1951-52 fiscal year, a $188,312 total for 1950-51 and an $86,836 total for the half-year from Jan. 1, 1950 to June 30, 1950.

Straight time is listed as $173,538 for 1951-52, $175,871 for 1950-51 and $84,681 for Jan. 1 to June 30, 1950.

Overtime is listed as $13,264 for 1951-52, $12,441 for 1950-51 and $2155 for Jan. 1 to June 30, 1950.

The various departments are reported as having had the following payroll sums for 1951-52:

STRAIGHT TIME:

Administration and office, $35,827; director-secretary, $915; general engineering and inspection, $65,712; side sewer inspection, $18,787; maintenance, $21,516; pumping and treatment plant, $30,781.

OVERTIME:

Administration and office, $15; director - secretary ,none; general engineering and inspection, $5119; side sewer inspection, $2705; maintenance, $2332; pumping and treatment plant, $3093.

TOTAL TIME:

Administration and office, $35,842; director - secretary, $915; general engineering and inspection, $70,831; side sewer inspection, $21,492; maintenance, $23,848; pumping and treatment plant, $33,874.

The report notes that, as of February of this year, the Central Contra Costa Sanitary District had 30 permanent employees and that pay of permanent employees constituted 72 per cent of the district's annual running expenses for 1951-52.

THESE FIGURES were considerably higher than those for five other sanitary districts studied by Headman, Ferguson & Carollo in connection with the Central Contra Costa Sanitary District survey.

Nearest to the local picture in this respect was the Ora Loma Sanitary District, with 27 permanent employees as of February, 1953, and with permanent employees' pay constituting 56 per cent of the district's annual running expenses for 1951-52.

However, the consulting engineers state they did not find "any district which is sufficiently comparable in extent or otherwise as to mean very much from a comparative standpoint."

Orinda-Lafayette Delphians to Meet

The Orinda and Lafayette chapters of the Delphian Society will hold a joint meeting at the Lutheran church in Lafayette Monday at 9:45 a.m.

Mrs. Frank Nye, president of the Golden Gates Assemblies, will be guest of honor.

Members participating in the seminar discussion have been selected from both groups.

Merchants Give Westival Gifts

Generous assistance is being given the Lafayette P.T.A. Westival by the local merchants of Lafayette according to Mrs. Mike Mazaika, chairman, who announced today that another large assortment of prizes for the Dutch Auction to be held during the afternoon of May 2 has been received by the committees in charge.

Among the business concerns who have donated to the Westival this week are Richard of Lafayette, Offens Hardware, Jim Shierry, Lafayette Pharmacy, Ireton's Ben Franklin, Campana's, Shoo Time Shop, Market Basket, Lafayette Hardware, Valley Pharmacy, Color Center, Union Oil Service Station, Rogers and Findlinson Gift Shop, Al Carey's Associated Service, Lescure Plumbing, Lafayette Toyland, Lafayette Electric, Kanzler Electric and Got Rocks Gordon.

Troop 204 Holds Dance Tomorrow

Lafayette Boy Scout Troop 204 will hold its annual Spring Semi-Formal Dance at the Morris Hunt Slater Cabin tomorrow night. Scoutmaster Seth Blakeman will act as master of ceremonies.

The decorations, under the direction of George Hampton, are expected to be a riot of spring flowers. Music is to be furnished by Charles Schorr's "Harmoneers" foursome.

Refreshments are being supplied by the Mothers Club of the troop, with Mrs. Virginia Bohn in charge.

Other committee chairmen for the dance are: Games, Howard Schirmer; prizes, John Larson; cleanup, Bill Bedard, and Dance Committee, John Bohn.

Mr. and Mrs. Robert Keller are to be the chaperones.

Dodge Announces Price Reduction

Gorrill K. Butler, of Butler Automobile Co., local Dodge dealer, said today that the response of local buyers to reductions in prices of Dodge "Job-Rated" trucks and passenger cars has been gratifying.

A few days ago the dealer received word from the factory in Detroit that Dodge truck prices had been reduced by as much as $61, factory retail price at factory, Detroit, while Dodge passenger car reductions ranged up to $201.80.

F. D. Moss Presents Scientific Paper

F. Dudley Moss, 3959 South Peardale Drive, has returned from the 123rd National Meeting of the American Chemical Society in Los Angeles, where he presented a paper dealing with the design of apparatus for pilot plants.

These are the pint-size plants which chemical engineers build in order to study new processes on a small scale and work out the details before going ahead with the design of a full-size commercial plant for chemical production.

Moss is a supervisor-development on Shell Development Company's staff. He has specialized in the design and operation of pilot plants for the past fifteen years.

Special Postal Rates Abolished

It is no longer possible to send gift parcels to foreign countries at a reduced rate.

This policy became effective Tuesday, and is general throughout the United States Postal Service.

DAVE OBERA, of the Parcel Post Department of the Lafayette Post Office put it this way:

"Effective March 31, the acceptance of "U.S.A. Gift Parcels" for Austria, China (service limited to Taiwan only), Italy, the United States-British zone of the Free Territory of Triest, and Vatican City State will be discontinued. All gift parcels for those countries mailed on and after April 1 will be subject to the regular international parcel-post rates."

POSTMASTER Larry Bornholtz of the Walnut Creek Post Office explained that the system was originally set up to aid countries in all parts of the world whose people were in dire need as a result of World War II.

"This was actually part of the Marshall Plan," continued Bornholtz. "The government underwrote the difference in price. For example, it used to cost 60 cents to send a 5 pound parcel to New York from here by parcel post, but you could send the same parcel to Germany for only 30 cents."

According to Bornholtz, this list of countries just about completed the service. He could find no record of any remaining countries to which the service still applies.

It was discontinued through agreement with the countries involved.

WHAT IS IT? If you went to the Junior-Senior Banquet last week, you'll know. For those of you who were unable to attend the Banquet, these critters are (left to right) Sharon Cockburn, Faye Davis, Selma Aweeka, Roberta Krotz and John Early. They are inspecting the foot of Mary Ann Peshon. This was a scene of the entertainment put on by the Junior Class for the successful Junior-Senior Banquet.

Dailey Home in Happy Valley Is on Agenda for Children's Benefit

The charm of the Islands is embodied in the home of the Richard Daileys in Happy Valley.

Hawaiian in theme and style is this home, one of the five included in the home tour to be held Wednesday, May 27, 11 a.m. to 4 p.m., by Heidi Chapter of Children's Home Society.

Tickets are $1.50 each and are available from Mrs. J. A. McCormick, ticket chairman, Lafayette 2075; Mrs. W. A. Siebert, home tour chairman, Orinda 8846, or any Heidi member.

OTHER HOMES included in the tour are those of the W. D. McNevins, Kenneth Shipp, Robert Bridges and Jack Abbott.

THE RICHARD DAILEYS recently built their home in Happy Valley after having lived many years in Hawaii.

Driftwood gray siding, shake roof, corrugated glass and flagstone trim are combined in the exterior.

From the entry one finds an expansive living room, along one side of which are hung floor-to-ceiling windows and sliding glass doors overlooking and opening onto the lovely pool and terrace.

AT ONE END of the living room are a bar and built-in barbecue with electric spit and copper hoods. Copper pots are attractively hung alongside for convenience to the barbecue.

Soft greens predominate in the leafy print wallpaper, and rush matting forms the covering of another wall. Rattan and furniture made from other native Hawaiian woods, and red tiled floors add to the feeling of comfort and hospitality for which the Islands are famous.

INTERESTING CURVED ceiling beams in dark green and clerestory windows are also features of the living room.

A den with fireplace and papered powder room are conveniently located, as are the bedrooms, baths and dressing rooms, all done in the greens and grays of Hawaii.

Built-in furnishings of interesting no-knob design are found in the bedrooms.

The home is built in a modified L, with the pool convenient to all rooms.

PROCEEDS FROM this and other Heidi events will be used by the Children's Home Society to further its work of placing children available for adoption.

Information about Heidi's activities is available from the chapter president, Mrs. J. Wayland Barnette, Orinda 8176.

Second Milers to See Philippine Films

The Second Milers of the Lafayetts, Community Methodist Church will hold their regular monthly meeting tonight in the lounge of the church.

Mr. and Mrs. E. Anderson and their committee have planned an evening of fun including games and a film of Mr. and Mrs. Cotteral's stay in the Philippine Islands.

Armed Forces, Civilian Defense, Polio Fight Need Your Blood Next Thursday

"Your heart may bleed for the child crippled by polio, but you won't help prevent disease in another youngster unless the Red Cross is collecting that blood."

So says Mrs. Warren Arnett, whose Recruitment Committee has almost completed enlisting donors for the Bloodmobile's arrival at Orinda Community Church next Thursday.

OTHER ORINDANS are lending their services to ensure success on Donor Day.

Mrs. William Margerin is securing a number of workers to help staff the Bloodmobile. With the help of Mrs. Robert Miller and her volunteer mothers, the Orinda Nursery School next door to the church will solve the sitter problem by caring for donors' children during the Bloodmobile hours of 2 to 7 p.m.

Anyone who needs transportation or wishes to make an appointment to give blood can call Mrs. Arnett at Orinda 3177.

A BIG BOOST for this donor campaign is being given by Boy Scout Troops 200 and 207, under the leadership of Scoutmasters D. R. Tibbetts and T. S. Cullen. The scouts will hand out reminders of Orinda Donor Day at the Crossroads and Orinda parking areas.

With the cooperation of Superintendent of Schools Joseph Sheaff, school children will also take home printed reminders to their parents.

"THE REST IS up to YOU," says Mrs. Arnett. "In addition to the blood needs for the armed forces and civilian defense, great quantities of blood must be collected to supply as much gamma globulin as possible."

"Remember," Mrs. Arnett adds, "the next child who needs G.G. may be your own. Every pint of blood you give may help save a life."

LEGAL NOTICE

PROCLAMATION AND NOTICE OF SPECIAL BOND ELECTION

Proclamation and Notice is hereby given to the qualified electors of the County of Contra Costa, State of California, that in accordance with the resolution and order of the Board of Supervisors of the County of Contra Costa, State of California, duly and regularly passed and adopted, and in accordance with law, a special election has been called and the same will be held throughout the County of Contra Costa, State of California, on

TUESDAY, MAY 12, 1953

from the hour of 7 o'clock a.m. to the hour of 7 o'clock p.m. of the same day, during which period of time the polls will remain continuously open. At 7 o'clock p.m. the polls will be closed except as provided in Section 5734 of the Elections Code. Said special election shall be held as aforesaid for the purpose of submitting to the qualified electors of the County of Contra Costa, the following measure of incurring a bonded indebtedness of the County of Contra Costa, to wit:

MEASURE:

(County Building and Warehousing facilities, City of Richmond)

Shall the County of Contra Costa incur a bonded indebtedness in the principal amount of $1,350,000 for the object and purpose of constructing an office building and warehouse in the City of Richmond, County of Contra Costa, California?

The amount of bonds to be issued for the object and purpose set forth in said measure is $1,350,000; said bonds shall be of the denomination of $1,000 each numbered in consecutive numerical order, from lower to higher, from 1 to 1,350, both inclusive, and shall bear interest at the rate of not to exceed five per cent (5%) per annum from their date, until paid, which interest shall be payable semi-annually, (except that interest for the first year after the date of bonds may be made payable at the end of said year.) Said bonds shall mature and be payable in consecutive numerical order, from lower to higher, as follows: $70,000 principal amount in each of the years 1 to 19 years, both inclusive, after the date of said bonds, and $20,000 in the twentieth year after the date of said bonds.

If at said election said measure shall have received the affirmative vote of two-thirds (2/3) of all qualified electors voting on said measure at said election, then bonds of the County of Contra Costa in the aggregate principal amount set forth in said measure shall be issued for said purpose set forth in said measure.

In accordance with law, proclamation and notice is hereby further given that the bond election precincts hereinafter described have been formed, established and fixed by the Board of Supervisors of Contra Costa County, as the bond election precincts of the County of Contra Costa, for the purpose of holding such special election. The bond election precincts hereinafter described by number or name are the election precincts as now established of record by the Board of Supervisors of Contra Costa County for general election purposes and the consolidated bond election precincts hereinafter designated consist of one or more of said general election precincts so numbered or named.

The polling places herein designated and described are the polling places within the County of Contra Costa, where said election must and will be held, and the persons herein named as inspectors, judges and clerks have been respectively appointed as such inspectors, judges and clerks to conduct said election in the respective election precincts of the County of Contra Costa, as hereinafter provided:

The following is a list and description of the bond election precincts, the polling places therein, and the officers of and for said election, to conduct said election above referred to and mentioned:

Orinda To Be Scene Of 50th Wedding Fete

Mr. and Mrs. Charles Dahms of Oakland celebrated their 50th wedding anniversary Thursday. They moved to California a year ago at the same time their daughter and son-in-law, Mr. and Mrs. A. S. Hartanov, settled in Orinda. They celebrated with a family dinner with the Hartanovs and the four Hartanov children. Sunday the Hartanovs will have a small open house in honor of the Dahms'.

Gores in Calistoga

Mr. and Mrs. Challis Gore of 44 La Vuelta enjoyed the two weeks previous to and including Easter in Calistoga. Mornings they motored about the country taking pictures in color of beautiful blossoming trees and wild flower strewn meadows and others in black and white of farm animals and rancher "characters." In the afternoons, Mr. Gore found the mud baths of therapeutic value.

Local Men Attend Los Angeles Meeting

Five local area men were among the sales leaders of International Business Machines Corporation who were honored at a two-day regional convention of the IBM Hundred Percent Club, the company's sales honor organization.

Attending the convention at the Ambassador Hotel in Los Angeles last week were R. R. Solinsky, 515 Dawkins Drive, Lafayette, and James M. Buxton, 89 Meadow View Road, R. L. Kocher, 69 Lombardy Lane, D. D. Savare, 48 Valencia Road and M. B. Sutliffe, 7 Snoberry Lane, all of Orinda.

Elkinton Entertains

A. W. Elkinton, executive of the Philadelphia Quartz Company of California, entertained as house guest recently Chester Baker out here on business representing the Philadelphia Quartz Company of Pennsylvania. Baker was much impressed with the beauty and mild winter climate of Orinda.

Blues Have Visitors

The Charles Blue family of 35 Claremont Avenue enjoyed the visit of Mrs. Blue's brother and wife, Mr. and Mrs. Clyde Phelps Jr. of Barrington, Ill. They had spent a week in Glendale and La Jolla and then came to San Francisco and Orinda. Blues, they enjoyed trips to Yosemite and Carmel.

Wickmans Travel

The Emil E. Wickmans, 9 Loma Vista Drive, enjoyed their Easter weekend at Yosemite Valley, a time they think the valley most beautiful.

Group Enjoys Trip To Carmel for Easter Vacation

With Mrs. Paula Collings at the wheel, Mrs. George Penfield and Mrs. G. Chester Brown all enjoyed a three days motor trip during Easter week which commenced with crossing the bridge to San Francisco to see the marvelous floral decorations amassed along the sidewalks about Macy's store, in its windows, and banked on the tops of all the merchandise cases behind and above the clerks and the show cases. Not a spring flower or blossoming shrub seemed to be missing.

This festival of color was also enhanced by the San Francisco Symphony's exhibit of musical instruments among the flowers and also the presence of musical scores on flower themes, showing the close relationship between the inspiration of color and music.

The trip continued down the Peninsula and on through still blossoming orchards and fields of poppies and lupines to Carmel. Here they stopped at the La Playa Hotel for rest and recreation. They spent a day exploring Carmel Valley and were surprised at the sight of so many permanent residences, summer homes, and resorts beautifully situated in the canyons or on hill tops with superb views of the valley and close by mountains.

The return trip was a speedy one after a short stop at Seaside to see Mrs. Brown's daughter-in-law, Mrs. Jesse Smith, as it was almost entirely over a freeway that missed the towns along the wya.

On Hacienda Circle

In their new home on Hacienda Circle in Orinda are the Gordon Martins.

Clippers to Host Foreign Students

The Clipper Club will have an international theme for its program this month. The group will have as their guests two foreign student couples from the University of California — Mr. and Mrs. Etienne Rolin from Egypt, and Dr. and Mrs. El Scherif who are from Belgium and Panama respectively.

Before the meeting, the Rolins will be entertained at dinner by Floyd and Lucille Hornibrook, navigators of the Clipper Club, while skippers Bill and Lu Branch will be hosts to the El Scherifs.

The evening meeting will be held at the home of Chuck and Lois Flenner, 52 Acacia Drive. The foreign student guests will discuss conditions in their countries, and the program will give an opportunity for interchange of ideas.

Cliffords Fly to Miami for Vacation

George and Doris Clifford and two boys, Bickie and Bobby, had the treat of a life time for they all had the thrill of flying to and from Miami, Fla., where they had a two-week winter vacation that included Easter week, with Mrs. Clifford's parents, Mr. and Mrs. H. R. Bicknell whose custom it is to leave their ranch in South Dakota every winter for a sojourn in Florida.

While there they took a boat trip to Havana but returned by plane. Each day was filled with sightseeing which the boys especially, will never forget.

Home Department to Discuss Storage

The Orinda Home Department will meet Wednesday at the home of Mrs. William L. Koreman, 22 Meadow Park Court at 10 a.m.

The program will deal with storage in the home. Project leaders are Mrs. Alfred Hansen and Mrs. Douglas Kinningsworth.

PRACTICING AT HIS PLEASANT HILL HOME is Sid Le Protti. Sid has played professionally since he was 18. Recently, Columbia Records made tape recordings at his home as Sid played and talked about the old days on San Francisco's Barbary Coast.

Sid Le Protti Makes Six-Hour Tape Recording for Columbia Record Album

By BILL STANTON

Sid Le Protti is not a has been.

Columbia Records showed faith in that, when George Avakian, Popular Albums Manager for the company, and some technicians spent six hours taping his words and music.

I went out to see the half-Italian, half-Negro piano player the other day and he told me the story behind the recording.

SID TOLD ME he came by his music through his family. "My grandmother was the first colored woman to sing on the stage in California. That was in 1857," he said. His father used to spend his free hours playing the harp, a skill he had learned in Italy.

Sid began playing the piano when he was eight years old. He got his first professional job in 1904, at 18. It was at a hotel across from the Santa Fe depot in Emeryville.

"THERE WAS A racetrack near there then," he recalled, "and I had to stop playing at 10:30, because the jockies stayed at the hotel and they needed their sleep."

His big chance came when he went to Purcell's on the old Barbary Coast in San Francisco. He calls it, "the most famous Negro cafe in the world." He went there with his own six piece outfit, the So Different Orchestra.

IT IS HIS Barbary Coast experience and his piano talent that the Columbia people are interested in. They plan to use the tape they recorded as part of an album on the old Barbary Coast.

Purcell's was started by Sam King and Lew Purcell, two former railroad porters. "When I say it was colored, I don't mean the customers were colored," Sid told me, "there weren't enough colored people in the Bay area then. I mean it was run by colored people."

It prospered, Sid said, because it provided good entertainment.

Sid and the So Different Orchestra then moved on to the Portola Louvre in San Francisco. They added a dancer to their team there. Sid remembers, "He was one of the best Spanish dancers I've ever seen."

THEY LOST their dancer at their next stop, Byron Long's Cafe in Los Angeles. The dancer, Rudolph Valentino, decided to become an actor for the movies.

After Los Angeles, the So Different Orchestra moved on to the Alexander Young Hotel in Honolulu, and then Uncle Sam stepped in and the So Different men were in an army band.

His orchestra was "quite a band," Sid said. It might have been better known if they had had a chance to record. "But the only place they made records in those days was in Camden, New Jersey, and we never got back there."

"IT'S SURE DIFFERENT now," he added, "they came right out to the house to record my playing. They told me not to worry about a fuzzy note or two because they can take a single note off the tape if they want to. I just played and talked about the Barbary Coast for six hours."

Sid then showed me a letter from Avakian saying that the recording release on the recording had been delayed because of technical difficulties and to work out publicity for the album.

He has lived in Walnut Creek with his wife of 36 years, Maymie, since 1937, and he was familiar with the area before that.

In 1902 he come out this way to hunt. It had been raining, and water was flowing down what is now Main Street. By the time he finished his expedition, the way he came was impassable, and it took him three days to get back to Oakland by a mountain route.

The 66 year old musician still plays, though he supplements his income with janitor work. He plays for local service clubs and works Saturday nights at the Y Not in Brentwood.

He and Maymie live in a neat one story white house with red trim in Pleasant Hill. Their daughter Jacqueline and her husband Al Robinson live in a cottage behind the house.

JACQUELINE is an instructor in nursing at the University of California Hospital. She won the Florence Nightingale award in 1944, while a student at the University.

As far as going back to more playing after the record is released. Sid doesn't think so. He seen enough of cafe and nightclub life, and wants to keep living just about like he is.

Young GOP Plans Spring Dance

Make a date to dance with your neighbor at the Orinda Young Republican spring dance April 25 at Carroll Ranch. Tickets at $2 a couple are being sold throughout the county and can be obtained through any Republican group in the area.

"This is a fine opportunity to meet your Contra Costa neighbors and enjoy the music of Peter St. Hill's orchestra," Hal Arnot, vice-president, stated.

Ed Osgood, Young Republican state president, and Bill White, Young Republican national committeeman, are planning to attend, Arnot added.

The dance will be informal and will start at 8:30 p.m.

High School Mothers Club Hears About Comparative Education

Mr. and Mrs. David Arvin Jones from South Wales, teachers at Pittsburg High School, spoke at the Monday meeting of the Orinda High School Mothers Club at the home of Mrs. Abe Doty on Glorietta Boulevard.

They compared the school systems of their country, which is the same system as in England, and of ours. They said that their children start elementary school at 5, but at 11 an examination is given and the children are separated into two groups.

ONE GROUP whose tests have indicated that its members are university material goes into "grammar" school for five years in preparation for further studies.

The others group enters the "modern" schools which give them a technical or vocational education. The boys and girls are also sent to separate schools at this time.

After five years the "grammar" school students take a national examination in eight subjects, then enter what is called the "sixth form" for two years, and then go on to the university for three years, the Jones' said.

FOLLOWING A DISCUSSION period, the nominating committee announced the officers for the year. They are: President, Mrs. Paul Kops; vice-president, Mrs. Bernard Ginsburg; recording secretary, Mrs. John Bohn; corresponding secretary, Mrs. Donald Hunter, and program chairman, Mrs. Harry Oliphant.

THE MEMBERS of the club will be called to contribute a dollar each toward the scholarship which the club gives each year. This is in place of the usual cake sale.

An announcement was also made calling the attention of the members to the Acalanes High School Board election to be held May 15.

Here Comes the Bride

Patricia Scholin, Pete Kallas Jr. Wed In Walnut Creek

At a double ring marriage service in the Walnut Creek St. Mary's Church Sunday afternoon Miss Patricia Doreen Scholin, daughter of Mr. and Mrs. Carlo Scholin of Canyon became the bride of Pete Kallas Jr., son of Mr. and Mrs. P. G. Kallas Sr., of 2620 Sinclair Avenue, Concord.

THE BRIDE WAS escorted by her father to the altar which was decorated with Easter lilies and white stock where Father Spacher officiated at the 2 o'clock ceremony.

Patsy's floor length bridal gown was styled with a full gathered white nylon net skirt over a slipper satin hoop skirt. The fitted bodice of French lace was trimmed with seed pearls and the long sleeves ended at the wrist with a net ruffle. Her finger tip veil cascaded from a Juliet cap of lace, edged with seed pearls. Her bouquet of white tulips was centered with fringed white tulips.

In addition to everything new, the bride had an old penny in her shoe, a blue garter and had borrowed her platinum nail polish from a friend.

BRIDAL ATTENDANTS preceding her down the white carpeted aisle were Miss Yvonne Wilson, the bride's cousin and the maid of honor, Miss Carline Scholin, sister of the bride. The maid of honor wore a ballerina length frock of pale blue tulle, designed with a bouffant skirt and fitted bodice, with a matching headpiece of tulle and forget-me-nots. She wore satin pumps of the same shade. The bridesmaid was similarly gowned in pink, with matching slippers. Both attendants carried arm bouquets of red tulips.

George Kallas was best man for his brother and Mercer McKinney of Berkeley and Sam Giammona of Walnut Creek were ushers.

Mrs. Scholin's selection for her daughter's wedding was a rose crepe ensemble with navy blue accessories and Mrs. Kallas Sr. was dressed in a navy blue and white faille suit with white accessories. Both wore orchid corsages.

BROTHER OF THE bride, young Ronny Scholin, Mrs. Margaret Hull of Berkeley, her grandmother and Mr. and Mrs. Manuel Costa of Concord, the bridegroom's grandparnets attended the wedding. The grandmothers had white carnation corsages.

The festivities at the recention which was held at the National Guard Armory in Concord were opened with a solo waltz by the newly married couple after which the more than 200 friends and relatives toasted the bride and groom then joined them in dancing to the music of a five-piece orchestra. A buffet supper and cutting of the three-tiered wedding cake followed.

THE BRIDESMAID, Miss Wilson, caught the bride's bouquet and the bride's blue garter, tossed by the bridegroom, was captured by Clifford Lucas of Lafayette.

Patsy has been with the Telephone Company in Oakland and Pete is employed in the Concord Post Office. Both are graduates of Acalanes High School.

After a week's wedding trip south to Palm Springs, with a stopover at Carmel, the new Mrs. Kallas and her husband will reside at 1025A Oak Grove Road, Concord.

Marilyn Marvin to Wed Stan Stidham In Grace Cathedral

Two members of the St. Stephen's Episcopal Church choir, Marilyn Marvin and Stan Stidham, will be wed at a nuptial high mass Thursday in the chapel of Grace Cathedral, San Francisco.

A reception will be held from 2 to 4 p.m. at Rockridge Women's Club in Oakland. Both are Oakland residents.

Sherwood Thatcher, former choirmaster for St. Stephen's and long time friend of the couple will attend as guest soloist. The service will be conducted by the Rev. Charles M. Hill, vicar of the local church.

Third bans for the marriage will be published Sunday.

Charleen MacQuiddy Troth Is Announced

Using a huge white cake, Mr. and Mrs. Woods Pollard MacQuiddy of 1200 Rudgear Road, Walnut Creek, announced the engagement of their daughter Charleen to Albert Gerhard Moe Sunday.

On the cake in blue frosting was inscribed, "Congratulations on Your Engagement." Pink roses decorated the cake.

The announcement was made at a party at the MacQuiddy home. Both University of California juniors, Charleen majors in art and education and Albert majors in philosophy and education.

Charleen's Delta Sigma Epsilon sorority sisters and Albert's Phi Sigma Kappa fraternity brothers attended the announcement party.

The MacQuiddy home was decorated with pink carnations ,roses and lilacs. Mrs. Albert Noe, Albert's grandmother who lives in Oakland assisted with the party.

Albert is the son of Col. and Mrs. Albert Ferdinand Noe of the United States Marine Corps in Arlington, Va.

No date for the wedding has been set.

Heidi Hears Details About Adoptions

Group meetings and other policies of Children's Home Society, statewide private adoption agency, and its chapters were related by Mrs. A. S. Hickey, director of chapters and auxiliaries of Children's Home Society, at the monthly meeting of Heidi, Diablo Area Chapter, Tuesday at the Coast Counties Gas Company auditorium in Walnut Creek.

COUPLES interested in adopting children through the Children's Home Society will be asked to attend group meetings of 10 couples each as the initial step in the adoption process.

Facts concerning the number of children available versus the number of applicants will be discussed in an effort to better acquaint prospective adoptive parents with the problems and limitations involved.

TICKETS for the Heidi Home Tour to be held May 27 are still available, it was announced by Mrs. J. W. Barnette, chapter president, during the business meeting proceeding the address by Mrs. Hickey.

The Home Tour will include five Lafayette Happy Valley homes including those of the W. D. McNevins, Kenneth Shipps, Richard Daileys, Robert Bridges' and Jack Abbott. Tickets are $1.50 each. Mrs. J. A. McCormick, Lafayette 2075, is ticket chairman.

The homes will be held open from 11 a. m. to 4 p. m., with tea served at the last home on the tour. Proceeds will go to the Children's Home Society to further the proper placement of children available for adoption.

Engagement of Jean Marcia Lesley Announced at Party

An open house at the Piedmont home of the Bruce Wilsons Sunday announced the engagement of Jean Marcia Lesley, daughter of Mrs. Byron Lesley of 2996 Danville Highway, Walnut Creek, and Willis Andersen Jr., son of Mr. and Mrs. Willis Andersen of Berkeley.

Chocolates were passed by the brides elect at the Alpha Phi Sorority house in Berkeley Monday evening announcing the news to her classmates. She will graduate from the University of California in June. Jean is affiliated with the Linden Campus branch of the Children's Hospital of the East Bay. She has a twin sister, Joan Lesley.

The future groom is a senior at UC where he is a Kappa Sigma. He is commodore of the varsity crew and a member of Big C, Triune and Winged Helmet societies.

Wedding Reception Held at Bevitt Home

A reception at the home of Mr. and Mrs. R. H. Bevitt of 13 Del Hambre Circle, Walnut Creek, was held Friday night honoring Mrs. Bevitt's cousin, the former Miss Patricia Wohler of Eureka and her new husband, Richard Tucker of San Francisco.

The young couple were married at 8 p.m. at the First Congregational Church in Berkeley and the reception followed at the Bevitt home. The majority of guests attending the reception were friends of the bride's from Eureka. The wedding and reception were held in the Bay Area because the groom is stationed here with the Coast Guard.

Mr. and Mrs. Howard Wohler of Eureka, parents of the bride, and their daughter, Norma, spent the weekend at the Bevitt home.

Mrs. Wilkins Is Hostess at Shower

Elizabeth Joan Tyler of Martinez was honored a ta linen shower at the San Luis Road home of Mrs. A. K. Wilkins in Walnut Creek recently.

The honored guest will become the bride of Irwin George North Jr. of Pasadena May 3 at St. Mark's Lutheran Church in Walnut Creek.

Among the guests were Mesdames Carl Hatfield, Stanley Cook, Leon Rahn and Brice Burchard of Walnut Creek and Ted Barcelon and William McKee of Lafayette.

WHAT'S GOING ON? Plenty — and all in hilarious spirit at the Lafayette Larks' Mardi Gras party last Friday night at Veterans Memorial Building in Lafayette. At left, Mrs. Willard Hayes, unit president, goes through the motions of collapsing as masked hombre Roby La Combe points his six-shooter at her. In center, Mrs. Leith Smith and "Sheik" Horon Jones do some fancy grappling with a push-broom. At right, Marguerite Racine demonstrates terpsichorean enthusiasm as helmeted, moustachioed Bill Racine looks on approvingly.

DAR Meets, OK's Recommendations

Acalanes Chapter of the DAR met Monday at the home of Mrs. Jane Cory on South Peardale Drive.

The meeting was called to order by Vice-regent Mrs. Vera Anemen in the absence of Mrs. Eleanor Lynn, regent, who arrived later to preside.

Following the regular rituals the following resolutions were declared:

1. Members will write Governor Warren asking that some measure be taken to enact a law prohibiting the throwing of refuse from automobiles and littering up our highways.

2. Letters will be written to Senator Burt W. Busch (R-Lakeport) protesting the cutting of redwood trees along Highway 101 for the purpose of widening and straightening the road.

3. Representatives in Sacramento will be notified that it is the wish of the DAR to defeat bills A.B. 2130 and A.B. 3335 pertaining to billboard advertising along the highways.

A motion was made and seconded to send $10 to the Kate Duncan Smith School in Alabama—a national project of the Acalanes Chapter. It was also proposed that inasmuch as the chapter is a Lafayette organiaztion that members watch for opportunities to render public service locally.

Mrs. Eleanor Lyon and Mrs. Dorothy Harrison will leave at once as delegates to the 62nd Continental Congress of the DAR in Washington, D. C., this month.

Gamma Phi Beta Party Tomorrow

It's last call for Gamma Phi Beta alumnae of Contra Costa County to get in on the fun tomorrow night when this group will have its annual supper party, a potluck affair for Gamma Phis and their husbands, at the Walnut Creek home of Mr. and Mrs. Clifford Nelle.

Reservations can still be made with Mrs. Bill Maddock of Orinda, who is general chairman. Mrs. Maddock promises a party up to past tradition, starting at 7 p.m., featuring good food, entertainment and dancing, and a chance to see old friends again.

Peyton-Tofflemire Engagement Told

John Wesley Tofflemire, son of Dr. and Mrs. Ben F. Tofflemire of Lafayette, and Virginia Ann Peyton of of Los Angeles announced their engagement last week.

John is now attending Naval Officers Candidate School in Newport, R.I. and will return for the wedding some time this summer when he has completed his cource.

Miss Peyton is attending College of the Pacific and will graduate this June. She is the daughter of Mr. and Mrs. Robert Clark Peyton of Los Angeles.

John attended Acalanes High School and graduated from C.O.P this year. He was well known in sporting circles at both schools.

Anne Adams to Give Harp Recital for Tuesday Forum

Concluding a succesful spring season of Forum programs the board of directors of the Diablo Tuesday Forum will present the talented harpist Anne Everingham Adams in a recital Tuesday.

This year's musical and tea, traditionally a highlight on the forum calendar, will be held at the Diablo Country Club at 2:30 p.m.

Mrs. Adams' musical career began when she was a small child studying the harp in San Francisco with Annie Louise David, and her extraordinary talent was recognized by a scholarship to the Juilliard School of Music.

There she studied with the famous French harpist Marcel Grandjany. In addition to playing in chamber music groups and solo recitals, Anne Adams has been a member of the San Francisco Symphony since 1941 and a featured soloist on the Standard Hour TV series and Standard School broadcasts.

Mrs. G. J. Towle of the Forum board is in charge of arrangements and has asked Mesdames Gerald Deardorff, Jackson Colvin and A. A. Morse to assist her with tea tables.

Mrs John Blemer and Mrs. S. L. Abbot are in charge of tea and Mrs. Hoard Flanders and Mrs. S. M. Friden, decorations.

Assisting Mrs. Towle in serving members and their guests will be Mesdames William Koch, Harold Smith, Malcolm Gompertz, William Hale Jr. and Sam Stockton. Mrs. T. O. Edwards has been coordinator of program for this final attraction. Single tickets and guest tickets may be secured through Box 24, Diablo, or by telephoning VErnon 7-2476.

Forum programs are offered to the public.

Tanager Unit to Meet Next Week

A board meeting of the Orinda Tanagers will be held at the home of Mrs. Charles L. Smith, 70 Stanton Avenue, Tuesday at 10 a.m.

Wednesday the regular meeting will be held at the home of Mrs. Bill Witter, 188 Lombardy Lane, at 8 p.m.

At present all committees are busily working on details for the Benefit Spring luncheon May 6.

Mrs. Robert Bigler has been reporting enthusiastically on the plans for the 5th annual Spring Hunter Trials and Olympic Events in Concord May 16 and 17. The show is being sponsored jointly by the Therapy Units and the Concord-Mt. Diablo Trail Ride Association.

Sewing Club Meets At Mrs. E. Laws'

Mrs. Elwood Laws was hostess at her Walnut Creek home recently to the Castle Hill Sewing Club with Mrs. Ann Fenton serving as cohostess.

The club with a total of 25 members, donated $20 to the Red Cross recently and gave the local chapter a 12-piece set of dishes.

Mardi Gras was a Great Lark

League to Give Fashion Revue

Artists and Models Revue is the theme chosen by the League of Jewish Women of Contra Costa County for their fashion show luncheon to be presented May 7 in the Garden Room of the Claremont Hotel, Berkeley.

Joseph Magnin of Walnut Creek clothes, worn by some of the top flight models of the Bay Area will be featured, running the gamut from elegant luxury to every day glamor togs including resort and cruise fashions. As a special highlight, Cyril Magnin has promised a collection of costumes from the East.

As a door prize the League is offering a three day all expense paid vacation at the fabulous Flamingo Hotel in Las Vegas, Nev.

The Artists Market of Lafayette is cooperating with the organization to carry out the theme and several artists from Orinda, Lafayette, Walnut Creek and Concord will either have some of their work on display or will themselves be on hand as artists in action.

Tickets may be obtained by contacting Mrs. Harry Freeman, 1651 Lilac Drive, Walnut Creek, YE 5-5852, or Mrs. A. Pettler, 34 Meadow Park Court, Orinda, Orinda 8755.

Mrs. Willard L. Hayes Jr., president of the Lafayette Larks, today said that their Mardi Gras party Friday night at Veterans Memorial Building, Lafayette was an unqualified success.

Costumes and masks were worn by the 300 guests and to everyone's delight they were of a humorous note. Much gaiety was derived from the cleverness and originality shown in the costumes.

THE CROWD, including most of the prominent citizens and merchants of the Lafayette area, lingered until the wee small hours enjoying the delicious buffet supper served by the members, refreshments and dancing.

A carnival-like atmosphere existed from the start and was helped along by Mrs. Max Janofn, a skilled sketch artist who could create excellent likenesses in spite of the most adverse circumstances. Mrs. William L. Fry who tirelessly took pictures of the celebrating guests with a polaroid camera, and Frank Shea and Grover Swanson who enthusiastically ran the penny pitch booth.

LEE SEARIGHT played the barroom piano for guests who gathered around to sing until the late hours.

Mrs. Bill Harris, general chairman reported judges Paul May, Jackson Davis, Dr. Howard Flanders, Jack La Grave and Mrs. Jules Lindsey voted the following the prize-winners for costumes:

Mrs. William Offen, best woman comic; Milt Adair, best man comic; Bill Scott, most original man; Mrs. Doris Jellett, most original woman; Louis Kekete, cleverest; Mr. and Mrs. Jack Schneider, best couple and Matt Connelly who won the door prize.

RICHARD GRAVES as master of ceremonies presided over a clever floor show arranged by Mrs. George Inskip. The talent included Mrs. Lyall Bishop, song and dance pantomine, Harold Agnew, magician and Dick and Irene Chiocca, latin dance team.

Mrs. C. J. Herman, Lark member and former commercial artist of considerable renown is to be commended for the completely original decorations. Huge Mardi Gras masks and figures were used in combination with iron grill work to turn Legion Hall into an authentic bit of New Orleans for the night. Antoine's French Restaurant and Absinthe Bar downstairs were equal in atmosphere to any spot in the old French Quarter.

The guests will be happy to learn that the Larks plan to repeat this gay affair next year for the benefit of the Mt. Diablo Therapy Center.

Faculty Wives Meet At Lee Arth Home

Mrs. Lee Arth entertained the faculty wives group of the Acalanes and Las Lomas schools on Wednesday night on Summit Road in Walnut Creek. Nineteen young women enjoyed the social get-together, a regular monthly affair.

Don Babes Down Amador's Nine

The Dons' J.V. baseball club put on a sterling performance on the Acalanes diamond when they defeated Amador High's Varsity from out Pleasanton way by a 9-3 score on April 9.

It was 1-all at the end of the second inning, but the roof fell in as far as the visitors were concerned when the Don Babes cashed in on six hits and a walk in the fourth, which paid off with 4 runs.

THE DONS WERE never headed. Amador's lone counters in the fourth and sixth fell short, as far as a win was concerned.

JOHN OLCOTT received credit for the win.

Warren Johnson led the offense when he hit two singles in three times at bat.

Other top hitters for the winners were "Pee Wee" Silveira and Dick Jarrett, each of whom had 2 for 4.

Devils Whip Don Varsity Trackmen But Bow to Babes

The Acalanes Varsity suffered a setback at the hands of Mt. Diablo's thinclads Wednesday afternoon in a meet at the Acalanes oval when they wound up on the short end of a 72-41 count.

The Dons lost whatever chance they had when their top sprinter, Bob Carlson, suffered a gash in his foot. He spiked himself while broad jumping and was out of the sprint events and relay as a result.

The gash, six inches in length, and deep ,required a good number of stitches to close and no doubt means the loss of Bob for the season. With him, it is feared, go whatever chances the Dons had of copping the county meet.

THE BRIGHT SIDE, as far as Acalanes rooters were concerned, was the lopsided 77-36 win of the Bees over the Little Devils.

The meet, held under top weather conditions, produced some fine times and distances, with several records falling by the wayside.

Ray Williamson heaved the shot for a new record of 52 feet, 3 inches and came through with another record performance when he heaved the discus 130 feet, 6½ inches.

DIABLO SET meet marks with Pete Weiser's smooth 4:40.8 mile, Stan Gaunt's 11 foot pole vault and Bob Himsl's 52.7 in the 440-yard event.

In the Bee division, Jim Brooks of Diablo ran the 70 yard hurdle event in a record time of 9.3.

Dennis Meyer copped first and a record for himself and Acalanes with a 1:33.7 in the 660 yard run.

IN THE 1320 YARD distance event, Acalanes sophomore ace Fred Lincoln left the pack far behind.

His name went on the record book with a scintillating 3:32.21.

Relays to Start Don Sport Spurt

Nine weeks of school remain. It's an important period for spring sports, with championships to be decided in a relatively short time.

The Dons travel to Martinez tomorrow for the Annual Alhambra Relays.

THIS IS A TEST of team depth, as the combined score of four men count in field and running activities.

Competition will be keen but the Acalanes lads should bring home some of the many trophies offered the winners in each event, particularly in the shot and discus, where the Dons have better than average depth.

DON SWIMMERS will host Berkeley High at 3:15 this afternoon.

The Acalanes Junior Varsity baseball team travels to San Ramon High today for a 3:30 p.m. game.

ON MONDAY the Varsity baseball nine gets into the act when they cross bats with Richmond High in a practice game.

Richmond rates the favorite's role in the Alameda County baseball race, and Acalanes will have its hands full.

ON TUESDAY league baseball gets under way, with Diablo coming to town.

The Dons appear ready to go, after a slow start, and plan to start the climb up to first division at Diablo's expense.

Rick Johnson is slated to toe the mound for the home club, with Olcott getting the call against Richmond on Monday.

The Junior Varsity horsehiders take to the road on Tuesday and travel to Brentwood.

Coach Ridley's charges appear to have hit their stride and will be hard to stop from here on out, with the hitting improving and the pitching of John Conley and Mike Barrett getting better each time out.

THE J.V. PLAYS its second game of the week on Wednesday, when it hosts Diablo's Little Devils.

The Don Babes lost an earlier game and will be out after this one.

THE DON SWIMMERS are favorites to continue their winning ways on Thursday, when they meet Albany in the local pool.

Albany rates the top competition in the league but that's not good enough to take the Dons, who are better than good and figure to cop the county title hands down in both Varsity and Bee divisions.

The Varsity baseball team travels to Corckett on Thursday to play another league game with John Swett. Swett rates as one of the favorites to cop the title, and the Dons will have to win here of they hope to stay in contention.

THE DON TRACK team meets El Cerrito on the Acalanes oval next Friday, and it appears to be a toss-up ,on paper.

El Cerrito has the edge in the running, while Acalanes appears to be at its best in the field events.

Coach Eaton hopes to have enough of a lead to cop the win before the relay, where El Cerrito's Gauchos hold the advantage—on paper, at least.

COACH BOB STEVENS looks to have a cinch in the Bees, who have managed a win each time out. Closest call came last week when his charges edged Alameda 57-56.

El Cerrito doesn't rate that strong, however, and it looks like a clean slate for the Don Bees, to round out another week of spring sports.

TENNIS LOOMS a double winner.

The Don players meet Diablo at Acalanes Tuesday and John Swett at Crockett on Thursday.

Team balance is the strength of Coach Bob Lord's team, and while they may drop individual matches they appear strong in the over-all picture.

Varsity Trackmen Lose to Alameda But Don Bees Win

Too much strength by Alameda in the sprint events resulted in a track loss for Coach Charles Eaton's Varsity team in a meet at the Acalanes oval last Friday afternoon.

Alameda defeated the Dons 63-50.

But the Don Bees eked out a 57-56 win.

THE DON VARSITY did manage first places of its own.

Tom Klement copped the mile in 5:12.1.

Ray Williamson topped the shot-putters with a 50-foot, 9½-inch heave.

Ray Oslin placed first in the pole vault at 11 feet, 4 inches.

Jim Hart won at 129 feet, 7 inches in the discus and Mike White split honor with teammate Dick Twomey in the high jump at 5 feet, 6 3/8 inches.

LACK OF DEPTH and a glaring weakness in the running events proved to be too much for the good performance in the field to overcome.

The winning Alameda relay quartet boosted the Alameda total to 63.

IN THE BEE MEET the Don Babes had their hands full but responded when the pressure was greatest.

The formidable Alameda team came mighty close to upsetting Coach Bob Stevens' plans for an undefeated season.

It was nip and tuck all the way.

The Dons won out by their one-point margin when they trailed Alameda's swifties in the relay, the final event of the day.

Dons Beat Pitt In Home Debut of League Play, 9-4

The Dons hit the win column in league play and came up with a .500 rating in the standings when they put on a hard-hitting exhibition to defeat the Pittsburg Pirates in a game played Tuesday afternoon at Acalanes.

The game marked the home debut of the Dons in league play, and they came through with a sparkling performance after a slow start.

Big Rick Johnson started on the mound for the Dons and was in hot water right off the bat of Dave Jett, Pittsburg's leadoff batter, who rapped the first pitch over the head of Centerfielder Dick Davis, who was playing a short centerfield.

IT WAS 1-0 when it rolled for a circuit clout.

Run number 2 in the inning came when, with two down, Ben Camera walked and advanced to second and third when pickoff plays fouled up.

He rambled home when Sal Di Mecurio was on. A ground ball went between the legs of Shortstop Bob Dwight.

The inning ended when DiMecurio tried to score off Ray Babucz's single to center and was out on a perfect throw by the Dons' Dick Davis from centerfield.

THE DONS WASTED little time getting back in the ball game. They cracked out two singles and scored two runs in their turn at bat, to knot the count at 2-all.

Pitt came back swinging and scored one on two hits in the top half of the second, only to have Acalanes unlimber the heavy timber and rack up four runs on four hits.

Bob Dwight, Dick Davis, Rick Johnson and Andy Monsen all contributed singles and all scored runs.

THE ISSUE WAS decided at this point as Rick Johnson warmed to the task at hand and proceeded to have the situation well in hand the rest of the way, allowing but one more run and that in the seventh, while his teammatse scored another in the third and single runs in the fourth and fifth for the 9-4 win.

Pittsburg had 4 runs, 8 hits and two errors, while the Dons posted their 9 runs on 11 hits and committed two errors.

Rick Johnson and Bob Gray each had two for four at bat, while Joey Henderson hal a 2 for 3, to lead the Don hitting parade.

Prep All-Stars Swamp Cal Frosh

In a meet at Berkeley's Edwards Field last Saturday morning, the Alameda and Contra Costa Prep All-Stars swamped the Cal Frosh with a smashing 103-36 win.

The Dons had three men on the All-Star aggregation, and all gained points.

Mike White led the parade with his season's best of 5 feet, 10 inches to take second in the high jump.

Jim Hart nailed down a third in the discus, while Ray Williamson took a third in the same event.

A former Don, Eric Murray, was a double winner for the Frosh when he tossed the iron ball over 51 feet and heaved the rubber platter over the 141-foot mark.

Cal Frosh Edge Acalanes Mermen

The Acalanes swim team came within an ace of upsetting the Cal Frosh in a meet at Berkeley's University pool Tuesday afternoon.

The meet turned out to be practically a dual meet despite a three-team entry when George Washington High managed but 1 point to Cal's 43 and the Dons' 40.

THE DONS MADE a meet of it when Cal's Frosh, rated the best in recent years, had to go all out to gain a three-point edge.

Brooks de Laneux and Jim Small garnered 8 points apiece for top scoring honors, and each set a new school record in the process.

DE LANEUX set his mark in the 100-yard breaststroke when he broke his old time of 1:08.4 with a 1:08.2.

Small broke the record of 1:40.2 held by de Laneux in the Individual Medley with a 1:43.2.

Barbara Stark Eyes New Titles

Barbara Stark, the pride and joy of Acalanes, is setting her sights on new titles after having successfully invaded Daytona Beach, Fla., where she copped top honors in the National Indoor Meet in the 100 and 200-yard backstroke events.

Barbara won the national 200-yard backstroke event last year when she made the Olympic Games team.

SHE NOT ONLY defended her title but broke her old mark of 2:27.5 when she swam a nifty 2:27.

Not content with retaining her 200-yard title, she came through with a 1:08.7 in the 100-yard backstroke for the win and title number 2.

Training and participation in various summer meets are in her present plans.

ALL OF THIS will lead up to the Outdoor National Championships, scheduled for Portland, Ore., in August.

Barbara seems to be improving with the passage of time and should be at her peak for the 1956 Olympics, where she looms as a potential gold medal winner.

Vikings Play Lobos Tomorrow

East Contra Costa Junior College goes after its second straight Coast Conference double-header baseball victory tomorrow when it hosts the Monterey Peninsula College Lobos.

Bob Borghesani, the Acalanes lefty, and Al Guzman, another portsider from Crockett, are due to draw opening assignments. Both won their initial league games last Saturday in a pair of thrilling contests against Menlo College.

"Borgo" settled down to blank Menlo the last five frames to gain a narrow 10-9 decision, while Guzman twirled a fancy five-hitter as the Vikings pounded out an easy 11-2 nod.

You Can Still Plant Cinerarias

Have you admired the riot of color in gardens where fall-planted cinerarias are blooming? It is not too late, says the Bedding Plant Advisory Board, to set out cineraria plants from flats now, for a bright showing late this spring in your shade garden.

Success with cinerarias planted at this time of the year depends primarily upon choosing a cool location, with well-drained soil that is about half humus.

WATER THE PLANTS generously, spray or dust regularly to protect against aphis, white fly and leaf miners, and you should reap your reward of gay blooming plants in about two months.

With their strong purples, reds and other striking tones, cinerarias are most effective when planted alone or with a border of white for muted contrast. Among the plants suitable for such a border are dwarf white begonia, white primula obonica or arabis alpinis.

YOU WILL FIND three basic types of cineraria generally offered in flats, according to the board

Most popular is the strain with large flowers (about 3 inches) and dwarf plants which grow only a foot or so tall.

Less used for bedding, though quite popular for potting, is the multiflora nana type with dwarf plants and small flowers.

The stellata type, as its name implies, has star-like single flowers. It grows 2 to 3 feet high, and has a tendency to reseed itself.

All three have the characteristic cineraria colors, last well as cut flowers and deserve a spot in your shade garden.

Spraying Proves Successful Method to Control Worst Offenders Among Weeds

By BERT WRIGHT

MODERN SELECTIVE WEED CONTROLS are the greatest labor savers for home gardeners since the invention of the power lawn mower.

The job of weeding by hand methods used to be so tedious that many gardeners felt that the cure was worse than the ailment and just let the weeds grow.

Now, however, some of the worst offenders among the broad-leafed weeds can be effectively controlled by selective weed killers which are prepared especially for home use.

Dandelions, common plantain, buck-horn, thistle and wild carrot all "give up the ghost" when properly treated.

Since 2, 4-D is a plant hormone or growth-regulating substance, it operates most effectively under quite specific conditions. The most important of these is that weeds should be growing rapidly when treated.

THIS MEANS THAT early summer, with its warm temperatures and adequate moisture, is the best time to control weeds in lawns.

Hot, dry weather and cool, wet weather are not good times for selective weed control applications.

The disappointing results some folks have experienced with 2,4-D were undoubtedly caused by spraying at the wrong time.

TOUGH, OLD dandelions sometimes require two treatments. They are perennials and after several years develop a long, thick tap root which gives them a lot of vigor.

This tap root seems to keep nourishing the plant even though 2,4-D interferes with the growth process. Usually the second treatment a week or so later will complete the job.

Though 2,4-D is termed "a selective weed killer" because its action is confined largely to broad-leafed plants, it also may harm closely cut bent grass and St. Augustine grass.

HOME OWNERS having lawns made from these grasses should not use 2,4-D at all on closely clipped grass, and should use a very fine spray only if the grass is allowed to grow long.

White Dutch clover, which is almost always present in bluegrass and some Bermuda grass lawns, receives only a temporary setback from 2,4-D.

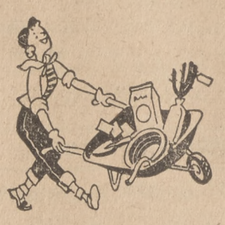

Never lime your lawn if you want to keep the clover out of it.

YOU CAN APPLY selective weed controls with a regular 3½-gallon pressure sprayer or through a gravity spray attachment which may be fastened to a gallon jug.

If you use your garden sprayer for this purpsoe, be sure to rinse it thoroughly with a strong solution of household ammonia when you have finished.

Otherwise the small 2,4-D residue remaining may damage the garden flowers and vegetables you spray with insecticides.

Piano Quartet Will Play Sunday

The Philharmonic Piano Quartet will appear at Acalanes High School auditorium Sunday, 8:15 p.m., in the last of this season's Acalanes Community Concerts.

The quartet consists of Ada Kopetz, Bertha Melnik, John Scales and Robert Emmett Vokes. All four have studied in this country; all have given successful individual concerts. As a quartet, they have recorded for Columbia Masterworks.

NEW YORK BORN Ada Kopetz has played solo and ensemble concerts throughout the country, and appeared in Carnegie and Town Halls in New York, as well as doing a good deal of accompanying and radio work. She has been soloist with the New York City Symphony and in Radio City Music Hall. During World War II she played many recitals under USO auspices.

Bertha Melnik was born in Hartford, Conn. She appeared in concerts throughout the country before making a highly successful New York debut at Town Hall.

John Scales was born in Grove, Okla., studied at Oklahoma Baptist University and Columbia University, and is at present working with Irwin Freundlich in New York.

ALL FOUR PIANISTS studied at the Julliard School of Music in New York. Robert Emmett Vokes, the newcomer, is no exception. He is the youngest of the group, has won many scholarships and awards and has appeared in recital and with orchestras in New Jersey and New York.

The official musical arranger for the quartet is Moritz Bomhard, director of the Kentucky Opera Association in Louisville.

As at all other concerts, attendance is by membership card only, and no single tickets are sold.

It's cheaper to shop at home.

Chorus Prepares For Annual Sing

Rehearsal schedules of the Diablo Valley Chorus group are being stepped up in preparation for the annual spring concert.

The concert will be held at Acalanes High School May 9.

Profits will be given to the Cheerleader School for Cerebral Palsied children in Ygnacio Valley.

"Songs of the Trail" and selections from "Oklahoma" will be featured. Paul Walti, San Francisco tenor will be guest soloist.

Mrs. Pauline Turner, director of the Diablo Valley Choral was honored with a surprise birthday party given by the group last week.

The party luncheon was at the home of Mrs. Alice Simmons. Entertainment skits were offered after the director was presented with a gift.

Helping as hostess for the day were Mesdames: Margaret Novak, Faith Haight, Edwina Cadwell, Lola Timmie and Jeanne Hodel.

By shopping at home you not only save time and money. You're also patronizing merchants who share your interest in the community.

Easter Coloring Winners Listed

Winners in the children's Easter Coloring Contest were announced this week by the following stores, which cooperated with this paper in the annual event. Each merchant awarded three prizes — $3, $2 and $1 merchandise orders — and the lucky youngsters, in order of placement, were:

Sutton's Shoes — Clint Keeney, 6, Lafayette; Susan Henry, 4, Walnut Creek; Helena Fracchia, 5½, Lafayette.

Orinda Hardware — John Blades, 6, Orinda; Karen Stafford, 8, Orinda; Linda Weymouth, 4, Lafayette.

Shoo Time Shopping — Tom Robertson, 10, Lafayette; Trudy Mazaika, 6, Lafayette; Carol McMillen, 8, Orinda.

Lafayette Dime and Dollar — Tom Robertson, 10, Lafayette; Pamela Baker, 11, Lafayette; Trudy Mazaika, 6, Lafayette.

Lafayette Pharmacy — Pamela Baker, 11, Lafayette; Marge Robertson, 6, Lafayette; Susan Hopper, 5, Lafayette.

Orinda Store — Karen Stafford, 8, Orinda; Pamela Baker, 11, Lafayette; Jack Folliard, 5, Orinda.

Valley Pharmacy — Lynn Rogers, 4½, Lafayette; Helena Fracchia, 5½, Lafayette; Clint Keeney, 6, Lafayette.

Orinda Pixie Shop — Ruth Owen, 9, Orinda; Alice Williams, 6, Orinda; Kristen Hecathorn, 4, Orinda.

Black's Market — Ruth Owen, 9, Orinda; Kathy Stafford, 10, Orinda; Kristen Hecathorn, 4, Orinda.

At Super Saver Market, the winners were reported as having collected their prizes and having vanished in a cloud of colored dust, with no record of their names left behind them.

At Pleasant Hills Garden Supply and Hardware, judging of the many entries was reported as temporarily stymied by the rush of day-to-day business — but announcement of winners was promised for next week.

Boy Scouts to Hold Camporee

Over 300 Boy Scouts of the Meridian District will gather at Mitchell Canyon Park on April 25 and 26 for their annual camporee.

High point of the camporee will be the "Gold Rush," in which each patrol will participate in field events. The events will include judging, first aid, compass, signaling, knot tying, use of the knife and axe, tracking and nature identification.

During the camporee all patrols will be judged on their preparation, camping and cooking skills. Patrols that rate "Proficient" will be awarded blue ribbons; red ribbons will be awarded for "Standard" ratings and yellow ribbons for "Participating." Explorer units which qualify through demonstrations or service projects will be presented with white "Service" ribbons.

Director for the district camporee is Grant Shaw. Assisting Shaw will be S. Peaks, Dan Ridenour, E. Schneidar, Glenn Gleason and Tom Mika. John S. Youmans, district scout executive, and Dick Ross, ass't district scout executive, are the advisors to the camporee committee.

Tom Mika and Joe DeBois are in charge of the judging of the camporee events. The "Gold Rush" is under the chairmanship of Ray Sutliff. Seth Blakeman will act as master of ceremonies at the Saturday night campfire, and the camporee swimming is under the direction of Don White.

Christian Science Sermon Will Be On 'Atonement'

"Doctrine of Atonement" is the subject of the Cristian Science Lesson-Sermon for Sunday, the citations comprising the sermon will be taken from the Bible and from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, and will include the following:

Hebrews: "Having therefore, brethren, boldness to enter into theholiest by the blood of Jesus, . . . Let us hold fast the profession of our faith without wavering; (10:19, 23).

Science and Health: "If Truth is overcoming error in your daily walk and conversation, you can finally say, 'I have fought a good fight . . . I have kept the faith,' because you are a better man. This is having our part in the at-one-ment with Truth and Love" (p. 21).

Contractors Will Hold Dinner Meet

The General Contractors Association of Contra Costa County will hold its regular monthly general membership dinner meeting at 7 p.m. Tuesday at Paul's Place, Martinez.

According to J. H. Crawford, president, a discussion of the "Trade In" house, a program being sponsored by the National Association of Home Builders, will be presented by Harold W. Smith and Reuel Watson.

In addition to that subject, the shortage of 4 percent mortgages for veterans' homes, labor negotiations and the first annual essay contest on "Why Homeownership Builds Good Citizenship," sponsored by the General Contractors Association in conjunction with the NHB, will be discussed, Crawford stated.

SHOP AT HOME AND SAVE

Today, with more than 35 telephones at work for every 100 people in our territory, you can now reach more people, faster than ever before.

Why you're using your telephone more today

In 1945, the average Westerner made 465 calls a year—today he makes some 621 calls annually

There are good reasons why Westerners are now making more telephone calls. Today, service is so widely available—in homes, in the business world and in public places—that you can now call nearly twice as many people, and they, of course, can call you. For fast as the West's population has grown these past years, the telephone has grown at an even faster rate. We've also made many improvements in service—which have been important in making your telephone ever more useful and valuable to you.

On the job for pennies a call

'Round the clock and 'round the year, your telephone is on the job—ready to serve—carrying your messages for pennies a call. Surely, few other everyday things you buy are so high in value, so low in cost.

YOUR TELEPHONE IS ONE OF TODAY'S BEST BARGAINS

Faster long distance service. We've sharply reduced the time it takes to complete long distance calls, too. Operators now dial many long distance calls direct to the distant telephone ...and can usually complete your call while you hold the line. In many places, customers can now dial their own calls to an increasing number of nearby communities. And we're working in many other ways to expand and improve the West's telephone system—to bring you more —and more useful—telephone service.
